INTER-DEPARTMENTAL COMMUNICATION

July 27, 2012

To: City of Detroit Employee

From: Lamont D. Satchel, Esq. *LS*
Director of Labor Relations

RE: City Employment Terms

As you know, the City of Detroit has implemented employment terms ("City Employment Terms" or "CET") for employees in certain unions. Employees are encouraged to contact their respective unions for questions regarding the applicability of the City Employment Terms to them. We understand that there are a number of questions employees have regarding the actual implementation of various City Employment Terms as they affect wages, vacation, sick banks, healthcare and other areas of importance to employees. Below are a number of items covered by the City Employment Terms, accompanied by the City's approach to implementation.

It should be kept in mind that it is the City's intent to implement the economic and non-economic provision of the City Employment Terms in a reasonable manner so as to avoid or minimize personal and operational disruption.

Implementation of the item below for non-union employees will be communicated at a later date.

10% Wage Reduction and Cessation of Furlough – A 10% wage reduction will be reflected in employee's paychecks on August 24 or August 31, 2012, depending on the employee's pay cycle. Budgeted Required Furlough ("BRF") days will be discontinued and coincide with replacement by the 10% wage reduction. The last Budgeted Required Furlough day will be July 30, 2012. For employees who do not have BRF days the 10% wage reduction shall be effective July 17, 2012.

Merit and Step Increases – All merit and step increases have been eliminated effective July 17, 2012.

Shift Premium – Shift premiums will be \$.25 for the afternoon shift and \$.50 for the night shift, effective August 12, 2012.

Going forward the cap on accrual of vacation hours will be reduced to 160 hours. However, this year employees will be allowed to carry over up to 320 hours on October 1, 2012. This cap will be implemented pursuant to the Human Resource Vacation Policy.

Elimination of Swing Holidays and Election Day as Holiday – Swing holidays received this July 1, 2012 will be honored. However, there will be no future receipt of swing holidays after July 1, 2012. Effective July 17, 2012, proration of swing holidays for new hires has ceased. Effective July 17, 2012, Election Days formerly treated as holidays will be considered work days.

Sick Time Banks – Award of Reserve and Seniority Sick Banks will be discontinued. No more accruals to these banks will be made after July 1, 2012, but they will be available for use. Current Sick Banks will be capped at 300 hours. Employees will be notified prior to the effective date of the cap.

Jury Duty – Supplemental jury duty pay will be eliminated. However, employees will be allowed to use available paid leave time while off on jury duty. Employees will be notified prior to implementation of this change in the city's jury duty policy.

Private Car Mileage Reimbursement - Effective September 2012, City of Detroit employees who qualify for mileage reimbursement will no longer receive the \$3.00/day reimbursement for use of their vehicle on city business. Such employees will, however, continue to receive actual mileage reimbursement. Also, supplemental accident payments are eliminated effective September 2012.

Health Care – The City has made changes to the plan design of its health care benefits including BCBSM PPO, Health Alliance Plan & Total Health Care. The City is eliminating BCBSM Traditional and Comprehensive Major Medical as plan options for all active employees subject to the CET.  Subject: City of Detroit -- Active Employee Health Benefits Restructuring Meeting (Non-Uniform)

We would like to have a meeting with the City of Detroit's non-uniform unions to discuss the restructuring plan for active employee health benefits developed by Emergency Manager Kowyn Orr. We also want to continue our discussions with respect to the Emergency Manager's restructuring plan for retiree health benefits, as they relate to currently active employees. This meeting will be held on Friday, August 2, 2013, at 8:30 a.m. at the Coleman / Young Municipal Center, 2 Woodward Ave., Detroit, Michigan 48226. The room number will be provided in advance of the meeting.

Due to space limitations, we are requesting that no more than three representatives from each union attend the meeting. Please confirm in writing (including names, contact information, and affiliation) the representatives of your union who will be attending the meeting no later than Tuesday, July 30, 2013. To the extent that any of your representatives will need to be released from work to attend the meeting, please note this in your response and we will coordinate with the City's labor and employee relations department to ensure such employees are excused from work to attend the meeting.

We appreciate the willingness of your union to participate in these discussions and look forward to your input with respect to these important issues.

Regards,

Samantha

Re: Purported changes in composition of the Board of Trustees of the
General Retirement System which should be removed from the CET

Dear Mr. Mayor:

We respectfully request you to withdraw and recommend to the appropriate parties the withdrawal of purported changes to the composition of the Board of Trustees. The purported changes would directly or indirectly provide your office with control of seven seats on the Board of Trustees; in effect, giving complete control of the trust fund and its approximately \$2.2 billion dollars to your office, thus to the employer, City of Detroit.

The idea of eliminating a (1) balance (of power) and (2) diversification of influence of the ten member Board of Board of Trustees is a BAD IDEA. We request that you reconsider this bad idea and arrange for the withdrawal of this one purported change of the CET for the following reasons:

1. It has no basis in the law. It will lead to time consuming litigation and it will not survive court scrutiny. It will harm all parties involved (as set forth below).
2. A change in the composition of the Board of Trustees is unnecessary. The interests of the City of Detroit are well represented on the Board of Trustees. The record shows that the full Board of Trustees is sensitive to financial problems of the City and has made decisions, while limited by its fiduciary responsibility to the trust fund, its members and beneficiaries with a cooperative attitude regarding the concerns of the employee.
3. It is seen as a usurpation of the trust fund ("power grab") and will reflect on your office.
4. It exposes the Retirement System to risk of loss of its qualified plan status under the Internal Revenue Code with disastrous economic harm (because of tax consequences) to the General Retirement System, members, retirees and beneficiaries and the employer City of Detroit.

Mayor Dave Bing
July 25, 2012
Page 2

5. The idea, upon serious reflection, in light of the foregoing, is against common sense. It ignores the concept of a trust fund.

Attached are copies of our letter to you dated July 18, 2012 and GRS Resolution of July 18, 2012 which indicates our determination to prevent the GRS purported change in the composition of the Board of Trustees.

Please work for the withdrawal of the purported change to the composition of the Board of Trustees of the General Retirement System. You can avoid the litigation regarding these matters. Thank you.

Very truly yours,

Mayor, City of Detroit

Dear Mayor Bing,

The Board of Trustees of the General Retirement System of the City of Detroit is totally opposed to the Bing Administration's attempt to change the composition of the Board of Trustees as proposed in the "City Employment Terms for all Non-Uniform Employees" agreement recently issued to the civilian employee unions of the City of Detroit.

Not only is the change unnecessary, it strips away one of the fundamental principles that governs this Board of Trustees - accountability. Currently, there are five active elected employee trustees and one elected retiree trustee who answer **directly** to those whose money they have a fiduciary duty to protect.

In the proposed change, the number of elected trustees would be reduced in half to only three. This shift in the balance of power, to a structure where a political administration would have the majority rule (a total of 7 out of 11 seats) sets up an environment that is not only ripe for undue influence and corruption (as witnessed by experience with a recent administration with pay-to-play, bribery, indictments and favoritism), but flies in the face of the will of the people who created the pension system as an independent trust and is likely a violation of the requirements set forth in Public Act 314.

This Board of Trustees sees nothing wrong with change and has embraced the concept when it has been done for the right reason - to benefit the members, beneficiaries and retirees of the fund. Recent examples of this include the changing our smoothing period from five to seven years (at this Administration's request), as well as the adoption of stringent new and updated governing policies covering ethics, education and travel and due diligence.

However, we can see no real rationale for this proposed change and believe that ultimately it would serve to undermine the entire system. We therefore cannot and will not support it. In fact, we will do everything within our power to fight against it.

We will fight because as trustees we have taken an oath to act in the best interest of the plan, its members and beneficiaries. All of our actions are tied directly back to this oath. And, as can be witnessed by the fact that the General Retirement

System is 87% funded, we are fulfilling our fiduciary duty, especially during these turbulent financial times when other public pension funds in Michigan and throughout the county are dangerously underfunded.

Further, given the current financial state of the City of Detroit – which is being led by many of those who would be appointed by the Mayor to serve on the Board of Trustees – we cannot fathom how anyone could believe that the system would be better off. We would not be fulfilling our oath if we were to stand by and let the fund be led down the same disastrous financial path as the City.

RE: COMPOSITION OF THE BOARD OF TRUSTEES / ATTEMPT SOLE CONTROL OF THE TRUST FUND BY THE MAYOR

BY: TRUSTEE GLASER – SUPPORTED BY TRUSTEE HATTY

WHEREAS, the composition of the Board of Trustees consists of ten (10) trustees, including five elected employees, an elected retiree trustee, a citizen trustee and three ex-officio trustees (Mayor, Treasurer, City Councilperson) which represents a balance of power and checks and balances and distribution of influences but subject to the fiduciary obligation of each trustee; **and**

WHEREAS, the Board of Trustees notes that the proposed revised composition of the Board of Trustees (giving control to the Mayor) (1) is not consistent with the financial concerns of the City per Stability Agreement dated on or about April 12, 2012, (2) violates a history of the checks and balances within the composition of the Board of Trustees since inception in 1938, (3) exposes the Retirement System to loss of its qualified plan status with serious financial harm to the Retirement System, the members and retirees of the Retirement System, and the employer, City of Detroit; **and**

WHEREAS, the Board notes independent harm to the (1) General Retirement System, an entity itself, (2) to the members, retirees and beneficiaries of the System, and (3) the Board of Trustees of the General Retirement System as a separate entity; **and**

Dear District Representatives:

July 19, 2012

Pursuant to my earlier correspondence, please review the following titles and departments that the latest lay off notification from the City has indicated. Please note that I talked to the HR department and pointed out that there are some errors on the notifications (providing what I thought were errors). I was advised that there would be no corrections at this time; however, if we know that some positions are vacant, we can eliminate those for ourselves. As you know, we are working with incorrect seniority lists, and additionally employees are leaving for various reasons every day (retirement, new jobs, etc.). So, we will have to do the best we can to estimate who will be affected at this time. HR is currently auditing their lists and they stated they will have the correct information for distribution at the meetings that they conduct when they serve our city employee's their notices. We are requesting a copy of the audited lists. The city also indicated there may be some adjustment of the layoff dates, and if so, they will notify us as soon as possible.

I have spoken with Lynetta and she is currently working on combining the seniority information we have from different sources. We will use that information until we get something better. One of the problems is that some employees are working who are not showing up on lists and who do not pay dues. We do not know the full extent of that city practice. Each District Representative should monitor their area and let our offices know who they believe will be impacted by the layoffs. You should also let us know of any employees working in any SAAA titles that do not show up on the seniority lists that you are working from. We can then compare our central information to determine what is accurate, at least to the extent of the information we have available to us.

The city reserved the right to modify the lists as necessary and stated they anticipate the last day of work to be no later than September 28, 2012.

RE: Termination of 2008-2012 Collective Bargaining Agreement

Dear President Glazer:

This letter serves as notification that in accordance with our collective bargaining agreement, the City hereby provides ten (10) days written notice of its intent to terminate the collective bargaining agreement as of July 1, 2012.

Please be advised that the City will continue its practice, where required, of disciplining and discharging non-probationary unit employees under a just cause standard notwithstanding the contract termination. The City also agrees to maintain the grievance and arbitration procedures with regards to all discipline and discharge cases. With regard to non-discipline or discharge cases, the City's position, in accordance with Michigan law, is that the termination of the agreement ends the contractual arbitration procedures for any dispute based upon facts arising after the termination date of the agreement, or not involving rights accrued or vested under the agreement. Accordingly, the City will determine its arbitration obligations on a case-by-case basis, and will act in accordance with its rights and obligations under Michigan law. The City of Detroit reserves all rights pursuant to applicable legal authority.

Sincerely,

**EMERGENCY MANAGER
CITY OF DETROIT**

ORDER No. 21

**ORDER APPROVING PENSION FREEZE FOR CITY
EMPLOYEES**

**BY THE AUTHORITY VESTED IN THE EMERGENCY MANAGER
FOR THE CITY OF DETROIT
PURSUANT TO MICHIGAN'S PUBLIC ACT 436 OF 2012,
KEVYN D. ORR, THE EMERGENCY MANAGER,
ISSUES THE FOLLOWING ORDER:**

Whereas, on March 28, 2013, Michigan Public Act 436 of 2012 (PA 436") became effective and Kevyn D. Orr became the Emergency Manager ("EM") for the City of Detroit (the "City") with all the powers and duties provided under PA 436; and

Pursuant to Section 9(2) of PA 436, the EM "shall act for and in the place and stead of" the Detroit Mayor and City Council; and

Section 9(2) of PA 436 also grants the EM "broad powers in receivership to rectify the financial emergency and to assure the fiscal accountability of the [City] and the [City's] capacity to provide or cause to be provided necessary governmental services essential to the public health, safety, and welfare;" and

Further, Section 9(2) of PA 436 prohibits, during the pendency of receivership, the Detroit Mayor and City Council from exercising “any powers of those offices except as may be specifically authorized in writing by the [EM] or as otherwise provided by [PA 436] and are subject to any conditions required by the [EM];” and

Pursuant to Section 10(1) of PA 436, the EM may “issue to the appropriate local elected and appointed officials and employees, agents, and contractors of the local government the orders the [EM] considers necessary to accomplish the purposes of this act;” and

Section 12(1)(a) of PA 436 authorizes the EM “notwithstanding any charter provision to the contrary,” to “[a]nalyze factors and circumstances contributing to the financial emergency of the local government and initiate steps to correct the condition;” and

Section 12(1)(b) of PA 436 authorizes the EM “notwithstanding any charter provision to the contrary,” to “[a]mend, revise, approve, or disapprove the budget of the local government, and limit the total amount appropriated or expended;” and

Section 12(1)(d) of PA 436 authorizes the EM “notwithstanding any charter provision to the contrary,” to “[r]equire and approve or disapprove, or amend or revise, a plan for paying all outstanding obligations of the local government;” and

Section 12(1)(dd) of PA 436 authorizes the EM, “notwithstanding any charter provision to the contrary,” to “[e]xercise solely, for and on behalf of the local government, all other authority and responsibilities of the chief administrative officer and governing body concerning the adoption, amendment, and enforcement of ordinances or resolutions of the local government” as provided in the Michigan Home Rule City Act, Act 279 of 1909, Michigan Compiled Laws (“M.C.L.”) §§ 117.1 to 117.38 (the “Home Rule Act”); and

Section 12(1)(ee) of PA 436 authorizes the EM, “notwithstanding any charter provision to the contrary,” to “[t]ake any other action or exercise any power or authority of any officer, employee, department, board, commission, or other similar entity of the local government, whether elected or appointed, relating to the operation of the local government. The power of the [EM] shall be superior to and supersede the power of any of the foregoing officers or entities;” and

Pursuant to Section 12(2) of PA 436, “during the pendency of the receivership, the authority of the chief administrative officer and governing body to exercise power for and on behalf of the local government under law, charter, and ordinance shall be suspended and vested in the [EM].”

At the current time, pursuant to Section 12 of PA 436, the Emergency Manager has determined that implementing the following changes to terms and conditions of employment for employees currently participating in the General Retirement System is consistent with the

purposes of PA 436 and will enhance the City's capacity to provide or cause to be provided necessary governmental services essential to the public health, safety, and welfare in addition to rectifying the City's financial emergency.

It is hereby ordered that:

1. Effective as of December 31, 2013 (the "Freeze Date"), no employees hired or rehired by the City of Detroit will be eligible to participate in the General Retirement System of the City of Detroit ("GRS"), and the GRS will be closed to all new employees.
2. Effective as of the Freeze Date, benefit accruals for GRS members will be frozen based on the years of credited service and Average Final Compensation as of such Freeze Date.
3. Effective as of the Freeze Date, the City's 1998 Defined Contribution Plan will be closed to all employees hired or rehired by the City of Detroit and no future contributions will be made to or accepted by such plan after the last payroll date that occurs in 2013.
4. Effective as of the Freeze Date, the Annuity Savings Fund is closed to new employees and rehired employees. The Annuity Savings Fund will stop accepting future contributions as soon as administratively practicable after the Freeze Date but no later than the last applicable payroll dates that occur in January 2014.
5. Members who are not vested in a pension under Article II of Chapter 47 of the Detroit Code of Ordinances or in an Employer Contribution Account under Article III of Chapter 47 of the Detroit Code of Ordinances as of the Freeze Date shall not be entitled to such benefits under the GRS.
6. Effective as of the Freeze Date, the pension improvement factor (escalator) is eliminated and no future cost of living adjustments shall be made with respect to any accrued benefits paid or payable to any GRS member.
7. Effective as of January 1, 2014, the City will establish a new qualified defined contribution plan that is intended to meet the requirements of Section 401(a) of the Internal Revenue Code (the "Code") (the "401(a) Plan").
8. Unions representing affected employees either have received or will receive a letter informing them of the substance of this Order.
9. Nothing in this Order shall be interpreted as contrary to Federal law.
10. If any component of this Order is declared illegal, unenforceable, or ineffective by a court of competent jurisdiction, such component shall be deemed severable so that all other components contained in this Order shall remain valid and effective.
11. This Order is effective immediately upon the date of execution below.

12. The EM may modify, amend, rescind, replace, supplement, or otherwise revise this Order at any time.
13. This Order shall be distributed to the Mayor, Mayor-elect, City Council members, City Council members-elect, all department heads, and the State of Michigan Department of Treasury.

ARTICLE 11. RETIREMENT PLANS

Sec. 11-101. City's Duties.

1. The City shall provide, by ordinance, for the establishment and maintenance of retirement plan coverage for city employees.
2. Financial benefits arising on account of service rendered in each fiscal year shall be funded during that year and that funding shall not be used for financing unfunded accrued liabilities.
3. The accrued financial benefits of active and retired city employees, being contractual obligations of the city, shall in no event be diminished or impaired.

Sec. 11-102. Continuation of Existing Plans.

The retirement plans of the city existing when this Charter takes effect, including the existing governing bodies for administering those plans, the benefit schedules for those plans and the terms for accruing rights to and receiving benefits under those plans shall, in all respects, continue in existence exactly as before unless changed by this Charter or an ordinance adopted in accordance with this article.

Sec. 11-103. Principles Applicable In Administering Plans.

Not more than two (2) governing bodies for administering the city's retirement plans may be established, whose membership is set forth in this section, subject to applicable law.

1. The Board of Trustees of the General Retirement System shall consist of:
 - a. The Mayor;
 - b. A City Council member selected by that body;
 - c. The City Treasurer;
 - d. Five (5) members of the retirement system, to be elected by the members of the retirement system under rules and regulations as may be adopted by the Board; except that not more than one (1) trustee shall be elected from any department;
 - e. A citizen of the City who is neither an employee of the city nor eligible to receive benefits under the retirement system, appointed by the Mayor, subject to approval of the Board; and
 - f. One (1) retirant, receiving benefits under the retirement system and elected by retired city employees under procedures established by ordinance.
2. The Board of Trustees of the police and fire retirement system shall consist of:
 - a. The Mayor or in the absence of the Mayor, a designee;
 - b. A City Council member selected by that body;
 - c. The City Treasurer;
 - d. The Chief of Police;
 - e. The Fire Commissioner;
 - f. Three (3) firefighters who are members of the retirement system elected by the firefighter members under the rules and regulations as may be adopted by the Board. Trustees shall be:
 - (1) Two (2) to be elected by and from members holding the rank of lieutenant (or equivalent) and lower ranks.

- (2) One (1) to be elected by and from members holding a rank above lieutenant (or equivalent);
- g. Three (3) police officers who are members of the retirement system elected by police officer members under the rules and regulations as may be adopted by the board. Trustees shall be:
 - (1) Two (2) to be elected by and from members holding the rank of lieutenant (or equivalent) and lower ranks.
 - (2) One (1) to be elected by and from members holding a rank above lieutenant (or equivalent); and
- h. Two retirants, receiving benefits under the retirement system, who shall be residents of the city, one elected by retired firefighters and one elected by retired police officers under procedures established by ordinance.

Staff services required by a governing body shall be provided as determined by the Finance Director.

COMMENTARY: *The 1997 Charter allows one (1) retirant on the board of the Police and Firefighters Retirement System. This section has been revised to allow for two (2) retirants board members, one selected by retired police officers and the other by retired firefighters.*

The section has been further revised to clarify that membership on the retirement boards is subject state law.

Sec. 11-104. Information Required Before Benefit Increase.

Before final action on any proposed change in future retirement benefits is taken, the City Council shall obtain a report as to the immediate and long-term costs of the change from an independent actuary of its choosing and may not take final action until at least three (3) months after the report of the actuary is made public at a meeting of the City Council.

Sec. 11-105. Audits.

The Board of Trustees for the city retirement plans shall contract for annual independent audits.

ARTICLE 12. INITIATIVE and REFERENDUM

Sec. 12-101. Initiative and Referendum.

The voters of the city reserve the power to enact city ordinances, call the "initiative", and the power to nullify ordinances, enacted by the city, called the "referendum". However, these powers do not extend to the budget or any ordinance for the appropriation of money; the referendum power does not extend to any emergency ordinance.

The initiative and the referendum may be invoked by petition as provided in this chapter.

Sec. 12-102. Petitions.

Initiative and referendum petitions must be signed by voters of the City, not less in number than three percent (3%) of all votes cast for the office of Mayor at the preceding regular city general election.

Petitions shall set forth in full, the measure to be initiated or referred, as well as a brief statement of its substance. If the measure is submitted to the voters, that brief statement shall appear on the official ballot.

Signers of the petitions shall be voters of the City. Each signer shall sign his or her name indelibly and shall indicate his or her residence and the date of signing. Each petition paper shall contain a sworn affidavit of the circulator stating the number of signers on each petition paper; that each signature is, to the knowledge of the circulator, the genuine signature of the person whose name it purports to be; and that it was affixed in the presence of the circulator.

Sec. 12-103. Time of Filing.

An initiative petition must be filed with the City Clerk not less than one hundred and forty (140) days before the election at which it is to be voted on.

A referendum petition must be filed with the City Clerk before the ordinance on which the referendum is sought, takes effect or, where the ordinance is given immediate effect, within thirty (30) days after its effective date.

Sec. 12-104. Filing and Canvass of Petitions.

Petitions to adopt or rescind an ordinance shall be filed with the Office of the City Clerk. The City Clerk shall verify the number of petitions that were filed and transmit petitions to the Department of Elections for a canvass of the petitions. Within ten (10) days of receipt, the Department of Elections shall canvass the signatures thereon to determine their sufficiency and make a report of the result to the City Council. Any signature on an initiative petition obtained more than six (6) months before the filing of the petition with the Office of the City Clerk shall not be counted.

COMMENTARY: *In addition to being renamed, several grammatical changes have been made to this section. Additionally, it has been substantively changed as it now reflects the current practice for the filing and canvassing of petitions needed to adopt (an initiative) or rescind (a referendum) ordinances. This includes the City Clerk verifying the number of petitions filed and forwarding them to the Department of*

Elections to be canvassed. The Department of Elections is required to canvass the signatures within 10 days of receipt and report their results to City Council. The 1997 Charter assigned all of these duties to the City Clerk.

Lastly, the title to this section has been revised to better reflect its contents.

Sec. 12-105. Insufficient Petitions.

If the Clerk's canvass discloses that the number of signatures on petitions for any initiative or referendum is insufficient, additional petitions may be filed within fifteen (15) days after the Clerk's determination. When this fifteen (15) day period has expired, the Clerk shall again canvass the signatures on the petitions filed to determine their sufficiency and make a report of the result.

Sec. 12-106. Suspension of Ordinance.

Where a referendum on an ordinance has been invoked under section 12-103, the effect of the ordinance shall be delayed or suspended until the City Clerk has made a final report that the referendum petitions are insufficient or, if the referendum petitions are sufficient, until the voters of the City have expressed their support for the ordinance in the referendum election.

Sec. 12-107. Time Limit for Enactment or Repeal of Ordinance.

Upon the report of the Department of Elections that the initiative or referendum petitions are sufficient, and filed within the time limits provided by this Charter, the City may within sixty (60) days:

1. In the case of an initiative petition, enact the ordinance, which is proposed by the petition, in accordance with Section 4-115, 4-117, 4-118 of this Charter; or
2. In the case of referendum petition, repeal the ordinance, which is set out in the petition, in accordance with Section 4-115, 4-117, 4-118 of this Charter.

COMMENTARY: *This section has been renamed to accurately reflect the subjects covered by this section. Additionally, it has been revised to reflect the current procedure for enacting or repealing ordinances pursuant to initiative or referendum, respectively. The Department of Elections and not the City Clerk as stated in the 1997 Charter, currently reports to City Council on the sufficiency of initiative and referendum petitions and their timely filing. This section has been amended accordingly. Also, the timeline within which City Council is required to enact or repeal the ordinance that is the subject of the initiative or referendum has been increased from thirty (30) to sixty (60) days. Thirty (30) days has proven to be a difficult time frame within which to enact or repeal an ordinance as a result of City Council's adoption of a Committee structure for handling its business. The committee structure was not in existence at the time of the original adoption of this section. Rather the City Council disposed of its business under a Committee of the Whole structure, which was amenable to the thirty (30) day time frame. With the evolution of city government, the thirty (30) day period for enacting or repealing ordinance under this section has become unworkable. A sixty (60) day time period is both practical and non-prejudicial, in light of the current practice.*

Language has also been added to clarify that sections 4-115 (Ordinance Procedure), 4-117 (Procedure for Approval or Veto by Mayor and City Council's Override of Veto) and 4-118 (Publication of Ordinances and Effective Date) apply to enactment or repeal of ordinances under 12-107, which is the present practice. Lastly, the language requiring the measure to be submitted to voters where the City fails to enact

or repeal the measure sought in the initiative or referendum petition has been retained but moved to section 12-108.

Lastly, the title to this section has been revised to better reflect its contents.

Sec. 12-108. Submission to Election Commission and Voters.

If the City fails to enact or repeal the ordinance in accordance with Section 12-107 of this Charter, the City Council shall forward the proposed initiative or referendum petition to the Election Commission. The Election Commission shall make a determination as to whether the question can lawfully be placed on the ballot and report their conclusions to the City Council. If there is no legal impediment to placing the measure on the ballot, the Election Commission shall place the question on the ballot and submit the measure to the voters in accordance with the applicable requirements of Michigan Election Law, MCL 168.1, et seq.

If a measure must be submitted to the voters, it shall be submitted:

1. In the case of an initiative or referendum, at the next election in the city, or, in the discretion of the City Council, at a special election, subject to applicable provisions of the Michigan Election Law, MCL 168.1, et seq.

Except as otherwise required by law, the result of any initiative or referendum election shall be determined by a majority of the voters voting on the question.

COMMENTARY: *This section has been revised to add language removed from section 12-107 regarding submission of measures to voters when the City fails to adopt or repeal an ordinance pursuant to the initiative and referendum procedure in the Charter, and spells out the procedure for doing so. Although it is the Election Commission's current practice, language has been added that the Election Commission is charged with determining the legality of the measure to be adopted or repealed. This revision recognizes that certain ordinances are required by law and cannot be repealed, while certain other proposed new ordinances may be expressly prohibited by law and thus are incapable of adoption.*

Language has been added to the duties of the Election Commission requiring that, as a formality, it report its conclusion to the City Council as to the legality of the proposed initiative or referendum question. The reference to seventy (70) days was removed from numbered paragraph two (2) of the 1997 Charter in favor of reference to the Michigan Election Law, which regulates the time frame in which local questions can be placed on the ballot (Michigan Election Law, MCL 681.646a(2)) and paragraph two (2) has been merged with numbered paragraph one (1).

Lastly, the title to this section has been revised to better reflect its contents.

Sec. 12-109. Amendment, Repeal and Re-Enactment.

An ordinance adopted by the voters through initiative proceedings may not be amended or repealed by the city for a period of twelve (12) months after the date of the election at which it was adopted, and an ordinance nullified by the voters through referendum proceedings may not be re-enacted by the city for a period of twelve (12) months after the election at which it was defeated.

Sec. 12-110. Submission by Council.

The City Council may, on its own motion, submit any proposed ordinance or any proposal for the repeal or amendment of any ordinance to the voters in the manner and with the effect provided in this chapter for submission of proposals initiated by petition.

Sec. 12-111. Similar or Conflicting Measures.

If two (2) or more initiative or referendum measures submitted to the voters of the City shall have conflicting provisions, or attempt to accomplish the same object, and more than one (1) of these measures is approved by the voters, the measure receiving the highest number of affirmative votes shall prevail to the extent of their inconsistency.

Sec. 12-112. Repeal or Amendment of Ordinance in Effect.

The voters of the City may invoke the initiative power to repeal or amend an existing ordinance.

Any person who, at the time this Charter takes effect, holds a position in city government from which he or she could have been removed only for cause or under the rules of the Civil Service Commission, may not be removed under this Charter unless:

1. Cause for the removal is established in proceedings before the Civil Service Commission;
2. The person is transferred to another position in city government and is assured of salary and benefits at least as favorable as would have been earned by service in the position from which transferred until mandatory retirement age is reached; or
3. A mutually agreeable settlement is made by the City with the person discharging all rights against the City which the person may assert.

Sec. 13-104. Effective Date.

Except as otherwise provided, this Charter shall become effective on January 1, 2012.

COMMENTARY: *The effective date for this revised Charter has been set as January 1, 2012.*

The term of a member serving a fixed term of office on any multi-member body when this Charter takes effect shall expire at the end of the fixed term, unless otherwise indicated in this Charter. COMMENTARY: *This section has been revised to recognize that the term of a member of a multi-member body may expire earlier than the fixed term, where stated in the Charter.*

Sec. 13-110. General Provision.

If any question concerning transition from the 1997 Charter to this Charter (for which this Charter has not provided) arises, the City may provide for a resolution of the question by ordinance.

**Addendum to the Proof of Claim of
The Coalition of Detroit Unions**

This proof of claim (the "Claim") is for all claims due to the Coalition of Detroit Unions and the unions within and their members and former members/retirees (or future retirees with pension or other post-employment benefit obligations vested prior to the City of Detroit's (the "City") bankruptcy filing). The membership of the Detroit Coalition of Unions includes:

Michigan AFSCME Council 25 and its affiliated Detroit local unions
Association of Professional and Technical Employees
Detroit Police Detention Officers Association
Senior Accountants, Analysts and Appraisers Association
Teamsters, Local 214
Association of Municipal Inspectors
Michigan Building Trades Council and its affiliated unions
International Union of Operating Engineers, Local 324
UAW PAA Local 221.1
Association of City of Detroit Supervisors
Detroit Income Tax Investigators Association
SEIU Local 517M

The chief claim of the Coalition of Detroit Unions ("Claimant" or "Coalition") is rooted in the City's failure to sign the Coalition Tentative Agreement in March 2012 which would have established a 3 year contract through to March 2015, followed by the failure to bargain and unilateral imposition of employment terms. In July 2012, the City unilaterally imposed its own Employment Terms ("CET") in place of the Tentative Agreement. The calculated aggregate amount owed pursuant to this claim amounts to not less than \$242,586,116.50. The not less than \$242,586,116.50 amount asserted in this Claim consists of several separate changes which were implemented or failed to be implemented as a result of the overall claim.¹ (See attachment)

¹ The amounts set forth in this Claim are estimates based on data provided to Claimant by the City, Collective Bargaining Agreements, the City's General Retirement System or other third parties. Claimant reserves the right to amend this Claim to include updated data, any appropriate changes in applicable actuarial assumptions which serve as the basis for the calculations of the amounts set forth herein, and any appropriate updates for Claimant's members or former

On November 21, 2013, the Court entered its order establishing bar dates For filing proofs of claim and approving the form and manner of notice thereof [Docket No. 1782] (the "Bar Date Order") establishing February 21, 2014 at 4:00 p.m. Eastern Time as the general claims bar date for filing poofs of claim in this case. Notably, while individuals or entities holding claims for, *inter alia*, Pension Obligations and OPEB Obligations were not required to file proofs of claim pursuant to the Bar Date Order, as the City has not (to date) determined how the claims for Pension Obligations and/or OPEB Obligations will be asserted and/or allowed, Claimant has filed portions of this Claim as a protective measure.

As the documents supporting this Claim – including without limitation the relevant statutes, charter and ordinances, grievances, unfair labor practice charges, collective bargaining agreements, Coalition Tentative Agreement, City Employment Terms, the books and records of the City's General Retirement System, and the City's communications with its employees and retirees – are voluminous, they are not attached to this Claim. Copies of the relevant documents supporting this Claim are or should be, upon information and belief, in the possession of the City.

Claimant expressly reserves the right to amend this Claim to re-characterize or further characterize all or any portion of these claims as administrative expenses or priority claims or to include such modifications, deletions or additions as may be just and proper.

Pursuant to the Bar Date Order, individual members of AFSCME Council 25, its affiliated Locals and the members of the Coalition have a right to file a proof of claim on their own behalf. Thus, Claimant reserves the right for other units or individual members to file proof

Claimant members who have or may become eligible in the future for pension benefits but whose data was not included in the herein calculations.

of claims in addition to this claim. Notably, the Coalition is filing an aggregate proof of claim for all outstanding claims—including those made by its affiliated unions. Claimant has put forth a good faith effort to provide an exhaustive list of all outstanding claims while avoiding duplicative filings; any unnecessary duplication is not intentional and will be resolved.

The filing of this Proof of Claim is not intended to and should not be construed to be a consent or submission to the jurisdiction of this Court for any reason.

The filing of this Claim is not and should not be deemed a waiver of any Claimants' challenge to the legal validity of this bankruptcy or any legal claims relating to the bankruptcy and/or Detroit's assets. Furthermore, this Claim shall not be deemed or construed to be a waiver of the rights of the Claimant (1) to have final orders with respect to non-core matters entered only after *de novo* review by the United States District Court, (2) to trial by jury in any proceeding so triable in these cases or any case, controversy, or proceeding related to these cases, (3) to have the United States District Court withdraw the reference in any matter subject to mandatory or discretionary withdrawal, (4) to assert any other rights, claims, actions, setoff or recoupments to which the Claimant is or may be entitled in law or in equity, all of which rights, claims, actions, defenses, setoffs, and recoupment the Claimant expressly reserves, and (5) to assert any and all rights or claims against others jointly or severally liable for the sums claimed herein.

EXHIBIT 1 FOR COALITION OF DETROIT UNIONS PROOF OF CLAIM

ISSUE NAME	DESCRIPTION
Financial losses due to imposition	In July 2012, The City unilaterally imposed the City Employment Terms. Because of the implementation of the CET, failure to bargain, and failure to execute the Coalition TA, Coalition members suffered significant losses due to the imposition of wage and benefit concessions. These losses are from at least as early as 2012 and continue into the future for present employees and employees who have/will retire. Additionally, Coalition members and their unions have suffered losses due to the breaches of collective bargaining agreements, CET terms and orders or actions of the Emergency Manager.
Agency Shop	Had the Coalition TA been executed as a contract, employee union security clauses in Coalition contracts would have been continued through the end of the CBA term. Thus, any loss of dues compensation to the union due to the absence of this contract is a claim.
Dues Check off without charge	The July 2012 City Employment Terms provided that the City charge a 2% fee for the collection of all dues. This fee would not have been present had the City signed the Coalition TA, or bargained in good faith.
Grievance / Discipline	Because of the City's implementation of the CET, failure to bargain, and failure to execute the Coalition TA, employee past records used for the determination of discipline went from 14 months to 3 years. Thus, any employee disciplined/fired due to past record between 14 months and 3 years old is a claimant. The union lost dues for any such separated employee as well.
Seniority	Because of the City's implementation of the CET, failure to bargain, and failure to execute the Coalition TA, the employee probationary period expanded from 3 months to 6 months. Any probationary employee discharged within the 3 - 6 month window is a claimant. The union lost potential dues for any such separated employee.
Outsourcing	Because of the City's implementation of the CET, failure to bargain, and failure to execute the Coalition TA, unions and employees lost the contractual protections in place when the City sought to privatize union work. Under protections in the Coalition TA, employees could not lose overtime or their position as a result of their work being outsourced the Coalition lost dues from the separated employee as well.
Maintenance of conditions	Under the Coalition union contracts, the Employer agreed to maintain the employment conditions which were in place at the time the contract was signed, even if not specified in the union contract. Because of the City's implementation of the CET, failure to bargain, and failure to execute the Coalition TA, the employees lost various benefits which would have been protected under the maintenance of conditions clauses.
Successor clause	Because of the City's implementation of the CET, failure to bargain, and failure to execute the Coalition TA, the City eliminated the "successor clause" in Coalition union contracts. This clause required any third parties which were assigned City operations to take the obligations of the union contract, as well as the employees.
"Me Too" language	Because of the City's implementation of the CET, failure to bargain, and failure to execute the Coalition TA, the Coalition union contracts lost the economic disadvantage provision ("me too") - where any union employee compensation enhancements offered elsewhere in the City would have also been given to Coalition union members.

Sick Leave	Because of the City's implementation of the CET, failure to bargain, and failure to execute the Coalition TA, all employees and anyone who retired after July 18, 2012 lost any sick time accrued from that point forward, for potential payout (even though the Coalition TA placed a limit on the use of sick time for Final Average Compensation).
Sick leave	Because of the City's implementation of the CET, failure to bargain, and failure to execute the Coalition TA, Coalition members lost accrual of sick leave beyond a cap of 300 hours. Sick leave is accumulated at 1 sick day (8 hours) per month. Coalition members have lost sick time for every hour they would have accrued beyond 300 hours in the future.
Sick leave	Because of the City's implementation of the CET, failure to bargain, and failure to execute the Coalition TA, Coalition members lost reserve sick time. Employees with at least 1600 hours on payroll through the year earn five Reserve Sick Days. The benefit is awarded each year on July 1 st .
Sick leave	Because of the City's implementation of the CET, failure to bargain, and failure to execute the Coalition TA, the Coalition members lost bonus vacation days. Coalition union contracts awarded 1-6 bonus vacation days for unused sick days. The benefit is awarded each year on July 1 st .
Shift Premium	Because of the City's implementation of the CET, failure to bargain, and failure to execute the Coalition TA, the Coalition members lost shift premium. The afternoon shift went from \$.70 to \$.25 and night shift from \$.75 to \$.50, per hour.
Overtime	Because of the City's implementation of the CET, failure to bargain, and failure to execute the Coalition TA, Coalition members lost double-time both for work on Sundays and work beyond 16 hours in one shift.
Holidays	Because of the City's implementation of the CET, failure to bargain, and failure to execute the Coalition TA, Coalition members lost three annual swing days and a fourth election (or excused time) day.
Vacation	Because of the City's implementation of the CET, failure to bargain, and failure to execute the Coalition TA, Coalition members lost prorated accrual of vacation for employees with less than 20, or less than 15, years of service. A new vacation schedule was established, which resulted in a significant reduction of vacation hour accruals.
Health care	Because of the City's implementation of the CET, failure to bargain, and failure to execute the Coalition TA, the Coalition employees had significant losses in health insurance coverage and increased cost-sharing.
Workers Compensation	Because of the City's implementation of the CET, failure to bargain, and failure to execute the Coalition TA, Coalition members lost certain policy provisions surrounding City workers compensation coverage.
Death and Life Benefits	Because of the City's implementation of the CET, failure to bargain, and failure to execute the Coalition TA, Coalition members lost certain policy provisions surrounding City death and life benefit coverage.
Clothing Allowance	Because of the City's implementation of the CET, failure to bargain, and failure to execute the Coalition TA, Coalition members lost annual clothing and uniform allowance, to having it paid bi-annually.
2013 furloughs	Because of the City's implementation of the CET, failure to bargain, and failure to execute the Coalition TA, a number of the Coalition members were forced to work at less than a full 40 hour week, beginning in February 2013, and for the bulk of the year 2013.
TOTAL CLAIM AMOUNT	Not less than \$255,496,436.50 (estimate)
