

To Whom It may Concern,

4-3-2016

This stands as my written response that I do not want my claim to be eliminated by the court; nor do I want my claim changed. I oppose the objection to my claim. The reasons I oppose these claims ~~are~~ based on the following losses.

- ① Loss of retirement health care.
- ② Loss of several current health care benefits.
- ③ Holidays lost = One annual Swing, Election Day.
- ④ Lunch hour shortened to thirty minutes.

Thank You,

Kendra McDonald
