# THE CITY OF DETROIT'S OBJECTION TO CLAIM NO. 1288 FILED BY 36<sup>TH</sup> DISTRICT COURT AS A DUPLICATE CLAIM

The City of Detroit (the "<u>City</u>"), by and through its undersigned counsel, for objection to Claim No. 1288 filed by the 36<sup>th</sup> District Court, State of Michigan (the "Claim") as a duplicate claim (the "<u>Objection</u>") and its request for an order disallowing and expunging the Claim, substantially in the form attached hereto as <u>Exhibit 1</u>, respectfully states as follows:

# JURISDICTION AND VENUE

1. This Court has jurisdiction over this Objection pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). Venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

## BACKGROUND FACTS

2. On July 18, 2013 (the "<u>Petition Date</u>"), the City filed a petition for relief in this Court, thereby commencing the largest chapter 9 bankruptcy case in history.

3. Information regarding the City's economic challenges and the events leading up to the filing of this case can be found in the *Declaration of Kevyn D. Orr in Support of City of Detroit, Michigan's Statement of Qualifications Pursuant to Section 109(c) of the Bankruptcy Code* filed on July 18, 2013 (Dkt. No. 11).

4. On December 5, 2013, this Court held that the City was eligible for relief under chapter 9 of the Bankruptcy Code. *See Order for Relief Under Chapter 9 of the Bankruptcy Code* (Dkt. No. 1946).

5. On November 12, 2014, this Court entered an Order Confirming the Eighth Amended Plan for the Adjustment of Debts of the City of Detroit (Dkt. 8272) (the "<u>Plan</u>").

6. The Plan became effective on December 10, 2014 (the "<u>Effective Date</u>").

7. On November 21, 2013, this Court issued its *Order, Pursuant to Sections 105,* 501, and 503 of the Bankruptcy Code and Bankruptcy Rules 2002 and 3003(c), Establishing Bar Dates for Filing Proofs of Claim and Approving Form and Manner of Notice Thereof (Dkt. No. 1782) (the "<u>Bar Date Order</u>") establishing deadlines to file proof of claims in this case. The Bar Date Order set the deadline to file proofs of claim as February 21, 2014 at 4:00 p.m. Eastern Time (the "<u>Bar Date</u>").

On February 20, 2014, the 36<sup>th</sup> District Court, State of Michigan (the "36<sup>th</sup> District Court") filed the Claim, seeking an unknown amount. The Claim is attached as Exhibit
 2.

9. On February 21, 2014, the 36<sup>th</sup> District Court also sent the same claim to the City's claims agent, Kurtzman Carson Consultants, LLC ("KCC"), which was entered on the Claims Register as Claim No. 2422. Claim No. 2422 is attached hereto as Exhibit 3.

10. Claim No. 1288 and Claim No. 2422 are identical and cover certain employmentrelated claims.

11. The City and the 36<sup>th</sup> District Court entered into a settlement of the employmentrelated claims in the Plan (the "Settlement"). See Plan, Exhibit I.A.9. The Settlement resolved the Claims of the 36<sup>th</sup> District Court. 12. Pursuant to the Settlement, the City began to make payments to satisfy its obligations on the Effective Date.

# **RELIEF REQUESTED**

13. The City files this Objection pursuant to section 502(b) of the Bankruptcy Code<sup>1</sup> and Rule 3007(d) of the Federal Rules of Bankruptcy Procedure (the "<u>Bankruptcy Rules</u>"), seeking entry of an order disallowing and expunging Claim No. 1288, because it is duplicative of Claim No. 2422 filed against the City.

14. Specifically, the City has reviewed Claim 1288 and determined that it duplicates Claim No. 2422. Accordingly, the City requests that Claim No. 1288 be disallowed and expunged.

15. This Objection does not affect Claim No. 2422 or the Settlement involving that Claim, and does not constitute any admission or determination as to any fact concerning Claim No. 2422.

#### **BASIS FOR RELIEF REQUESTED**

16. Section 502(b)(1) of the Bankruptcy Code provides that a claim asserted in a proof of claim shall be allowed, except to the extent "such claim is unenforceable against the debtor and property of the debtor, under any agreement or applicable law." 11 U.S.C. § 502(b)(1). The City cannot be required to pay on the same claim more than once. Moreover, allowing duplicative claims could inappropriately lead to multiple recoveries to a creditor on account of a single claim to the detriment of other creditors.

17. This Court has the authority to enter an order approving this Objection. In light of the interest that all creditors have in reducing the total amount of claims in the case where appropriate, the City believes that the relief sought by this Objection is in the best interests of the

<sup>&</sup>lt;sup>1</sup>Section 502 is made applicable to Chapter 9 proceedings through Section 901(a) of the Bankruptcy Code.

City and its creditors. Based upon the foregoing, to avoid the possibility of multiple recoveries by the same creditor on account of the same claim, the City seeks entry of an order, substantially in the form annexed hereto as Exhibit 1, disallowing Claim No. 1288 as duplicative. Accordingly, pursuant to section 502(b) of the Bankruptcy Code and Bankruptcy Rule 3007(d), the Court should grant the relief requested.

#### **RESERVATION OF RIGHTS**

18. The City files this Objection without prejudice to or waiver of its rights pursuant to section 904 of the Bankruptcy Code, and nothing herein is intended to, shall constitute or shall be deemed to constitute the City's consent, pursuant to section 904 of the Bankruptcy Code, to this Court's interference with (a) any of the political or governmental powers of the City, (b) any of the property or revenues of the City or (c) the City's use or enjoyment of any incomeproducing property.

#### **NOTICE**

19. The City has provided notice of this Objection to the 36<sup>th</sup> District Court through the address on the proof of claim, and all other parties who requested notice pursuant to Bankruptcy Rule 2002. In light of the nature of the relief requested, the City respectfully submits that no other or further notice of the relief requested in this Objection need be given.

#### **NO PRIOR REQUEST**

20. No previous request for the relief requested herein has been made to this or any other court.

WHEREFORE, the City respectfully requests that this Court enter an order, substantially in the form annexed hereto as Exhibit 1, granting the relief requested herein and granting the City such other and further relief as this Court may deem just and proper. Dated: September 24, 2015

# 36th DISTRICT COURT, STATE OF MICHIGAN

### Addendum to Proof of Claim

The 36<sup>th</sup> District Court for the State of Michigan (the "36<sup>th</sup> District Court") hereby asserts a contingent and unliquidated claim in an unknown amount against the City of Detroit, Michigan (the "City"). The 36<sup>th</sup> District Court is filing this Proof of Claim solely as a precaution, as any claims asserted against it by third parties are actually claims against the City.

## A. Nature of the Claim

The State of Michigan is divided into judicial districts of the district court, each of which is an administrative unit subject to the superintending control of the Michigan Supreme Court. MCL § 600.8101. A district of the third class is a district consisting of one or more political subdivisions within a county and in which each political subdivision comprising the district is responsible for maintaining, financing and operating the district within its respective political subdivision. MCL § 600.8103(3); *see also* MCL § 600.8271(1) (requiring appropriation and budgeting of funds by funding unit for benefit of district court).

The thirty-sixth district is a district of the third class consisting solely of the City. MCL § 600.8121a(1). The City, therefore, is responsible for maintaining, financing and operating the 36th District Court. *Id.*; MCL § 600.8103(3). The 36th District Court does not receive advance funding from the City on an annual or other temporal basis. Instead, the City provides funding on an ongoing basis according to the needs and requirements of the 36th District Court by directly paying its creditors. *Id.* The primary exceptions to this funding scheme are the payment of salaries to the employees of the 36th District Court, which are paid directly by the City through separate payroll accounts maintained in the name of the City, and the payment of salaries to the judges of the 36th District Court, which are paid by the State of Michigan. *Id.*; MCL § 8202.

Prior to July 18, 2013 (the "Petition Date"), the 36th District Court was the subject of several pending actions, arbitrations and other proceedings. The majority of these actions were based on tort claims alleged by various employees and former employees against the 36th District Court and its representatives. In addition, the 36th District Court was a named defendant in certain actions alleging breach of contract, or was the subject of demands made for money damages by third parties. When monetary judgments or other awards are entered against the 36th District Court, the City is responsible for satisfying, and has historically and consistently satisfied, the claims of judgment creditors.

As of the date of this Proof of Claim, the  $36^{th}$  District Court was aware of the following unsatisfied claims arising prior to the Petition Date (the "Creditor Claims") more fully described in Exhibit A attached hereto.<sup>1</sup> The Creditor Claims are not exclusive, as additional claims that

<sup>&</sup>lt;sup>1</sup> Documents related to, or providing support for, Creditor Claims have not been attached to this Proof of Claim due to their voluminous nature. Any party seeking additional documentation related to this Proof of Claim may requests copies of the same from counsel to the 36<sup>th</sup> District Court identified in the Proof of Claim.

allegedly arose prior to the Petition Date against the 36<sup>th</sup> District Court, and thus the City, may be asserted in the future.

# **B.** Reservation of Rights

The 36th District Court reserves the right to amend this Proof of Claim at any time. The 36<sup>th</sup> District Court files this Proof of Claim without waiving or affecting in any manner whatsoever any rights that may hold against the City, including, but not limited to, its rights to request allowance of administrative expenses, assert setoff and/or recoupment, or commence an adversary proceeding or seek other relief related to the satisfaction of Creditor Claims and any other claims that may be asserted directly against the 36<sup>th</sup> District Court pursuant to the inherent powers doctrine. Finally, the 36<sup>th</sup> District Court reserves its right to file a proof of claim on behalf of any alleged creditor of the Court and the City in accordance with Fed. R. Bankr. P. 3005(a) and to vote to accept or reject any plan of adjustment pursuant to Fed. R. Bank. P. 3005(b).

# 36th DISTRICT COURT, STATE OF MICHIGAN

#### Addendum to Proof of Claim

The 36<sup>th</sup> District Court for the State of Michigan (the "36<sup>th</sup> District Court") hereby asserts a contingent and unliquidated claim in an unknown amount against the City of Detroit, Michigan (the "City"). The 36<sup>th</sup> District Court is filing this Proof of Claim solely as a precaution, as any claims asserted against it by third parties are actually claims against the City.

#### A. Nature of the Claim

The State of Michigan is divided into judicial districts of the district court, each of which is an administrative unit subject to the superintending control of the Michigan Supreme Court. MCL § 600.8101. A district of the third class is a district consisting of one or more political subdivisions within a county and in which each political subdivision comprising the district is responsible for maintaining, financing and operating the district within its respective political subdivision. MCL § 600.8103(3); *see also* MCL § 600.8271(1) (requiring appropriation and budgeting of funds by funding unit for benefit of district court).

The thirty-sixth district is a district of the third class consisting solely of the City. MCL § 600.8121a(1). The City, therefore, is responsible for maintaining, financing and operating the 36th District Court. *Id.*; MCL § 600.8103(3). The 36th District Court does not receive advance funding from the City on an annual or other temporal basis. Instead, the City provides funding on an ongoing basis according to the needs and requirements of the 36th District Court by directly paying its creditors. *Id.* The primary exceptions to this funding scheme are the payment of salaries to the employees of the 36th District Court, which are paid directly by the City through separate payroll accounts maintained in the name of the City, and the payment of salaries to the judges of the 36th District Court, which are paid by the State of Michigan. *Id.*; MCL § 8202.

Prior to July 18, 2013 (the "Petition Date"), the 36th District Court was the subject of several pending actions, arbitrations and other proceedings. The majority of these actions were based on tort claims alleged by various employees and former employees against the 36th District Court and its representatives. In addition, the 36th District Court was a named defendant in certain actions alleging breach of contract, or was the subject of demands made for money damages by third parties. When monetary judgments or other awards are entered against the 36th District Court, the City is responsible for satisfying, and has historically and consistently satisfied, the claims of judgment creditors.

As of the date of this Proof of Claim, the  $36^{th}$  District Court was aware of the following unsatisfied claims arising prior to the Petition Date (the "Creditor Claims") more fully described in <u>Exhibit A</u> attached hereto.<sup>1</sup> The Creditor Claims are not exclusive, as additional claims that

Documents related to, or providing support for, Creditor Claims have not been attached to this Proof of Claim due to their voluminous nature. Any party seeking additional documentation related to this Proof of Claim may requests copies of the same from counsel to the 36<sup>th</sup> District Court identified in the Proof of Claim.

allegedly arose prior to the Petition Date against the 36<sup>th</sup> District Court, and thus the City, may be asserted in the future.

### B. Reservation of Rights

The 36th District Court reserves the right to amend this Proof of Claim at any time. The 36<sup>th</sup> District Court files this Proof of Claim without waiving or affecting in any manner whatsoever any rights that may hold against the City, including, but not limited to, its rights to request allowance of administrative expenses, assert setoff and/or recoupment, or commence an adversary proceeding or seek other relief related to the satisfaction of Creditor Claims and any other claims that may be asserted directly against the 36<sup>th</sup> District Court pursuant to the inherent powers doctrine. Finally, the 36<sup>th</sup> District Court reserves its right to file a proof of claim on behalf of any alleged creditor of the Court and the City in accordance with Fed. R. Bankr. P. 3005(a) and to vote to accept or reject any plan of adjustment pursuant to Fed. R. Bank. P. 3005(b).
