Washington Township, Michigan 48094

On Thursday, July 21, 2011, the Board of Trustees approved your application for Duty Disability Retirement, effective August 14, 2011. Your monthly retirement allowance will be approximately \$2,957.61, and your first check, covering the period August 14, 2011, through September 30, 2011, will be mailed to you on or about October 1, 2011.

Employees disabled due to their employment are eligible for Workers' Compensation benefits pursuant to State Law. However, Michigan Law and Pension Provisions do not allow a disabled police officer or a disabled fire fighter to receive both a charter-authorized disability pension benefit and a Workers' Compensation benefit. Generally, an election must be made by the disabled employee as to which benefit will be paid. The disability benefit in the Defined Benefit Plan of the Retirement System is in the nature of and in lieu of Worker's Compensation. The recipient should consult a tax advisor with respect to the tax treatment of these benefits.

In accordance with the contractual language governing your Duty Disability Retirement, you will be contacted for re-examination purposes and to verify outside earned income. Failure to report for any re-examination or report any earnings will result in the WITHHOLDING of your pension check(s).

Any and all medical bills you incur, which are a direct result of your disability, should be submitted to the City Worker Compensation Office, 611 Coleman A. Young Municipal Center, Detroit MI 48226. Also, should you require authorization to seek medical attention regarding your disability, contact Joan Sikora (of the City Worker Compensation Office) at 224/3391.

Sincerely,

Walter Stampor, Executive Secretary

Re: Attendant Care

Dear Mr. Milewski:

Attendant care is a benefit that is provided by the City of Detroit regarding your duty-related injury. But the benefit is only available when supported by medical documentation provided by your treating physician (Dr. Horn). I faxed Dr. Horn November 14, 2012 requesting your current attendant care needs. I was informed that Dr. Horn would not be in his office until November 20, 2012. I spoke to Dr. Horn November 20, 2012 and he stated he could not determine your current attendant care needs because he hasn't seen you since May 2012.

The attendant care benefit will be suspended until Dr. Horn evaluates you and sends your updated medical documentation as well as your current attendant care needs.

Thank you,

Yolanda Carter
Workers' Compensation Specialist

Re: Brendan Milewski

Dear Ms. Daily Carter:

I am in receipt of your correspondence dated December 4, 2012. Mr. Milewski no longer sees Dr. Horn. He is now seeing Dr. Steven Hinderer, who is prescribing his attendant care.

If you have any further questions or comments, please do not hesitate to contact me.
Thank you.

Very truly yours,

JAMI WITBECK JONES
