MASTER AGREEMENT

dated June 7, 2006

SBS Financial Products Company, LLC and Detroit General Retirement System Service Corporation have entered and/or anticipate entering into one or more transactions (each a "Transaction") that are or will be governed by this Master Agreement (the "Master Agreement"), which includes the schedule (the "Schedule"), and the documents and other confirming evidence (each a "Confirmation") exchanged between the parties confirming those Transactions.

Accordingly, the parties agree as follows:—

1. Interpretation

(a) *Definitions.* The terms defined in Section 12 and in the Schedule will have the meanings therein specified for the purpose of this Master Agreement.

(b) *Inconsistency.* In the event of any inconsistency between the provisions of the Schedule and the other provisions of this Master Agreement, the Schedule will prevail. In the event of any inconsistency between the provisions of any Confirmation and this Master Agreement (including the Schedule), such Confirmation will prevail for the purpose of the relevant Transaction.

(c) *Single Agreement.* All Transactions are entered into in reliance on the fact that this Master Agreement and all Confirmations form a single agreement between the parties (collectively referred to as this "Agreement"), and the parties would not otherwise enter into any Transactions.

2. Obligations

(a) General Conditions.

(i) Each party will make each payment or delivery specified in each Confirmation to be made by it, subject to the other provisions of this Agreement.

(ii) Payments under this Agreement will be made on the due date for value on that date in the place of the account specified in the relevant Confirmation or otherwise pursuant to this Agreement, in freely transferable funds and in the manner customary for payments in the required currency. Where settlement is by delivery (that is, other than by payment), such delivery will be made for receipt on the due date in the manner customary for the relevant obligation unless otherwise specified in the relevant Confirmation or elsewhere in this Agreement.

(iii) Each obligation of each party under Section 2(a)(i) is subject to (1) the condition precedent that no Event of Default or Potential Event of Default with respect to the other party has occurred and is continuing, (2) the condition precedent that no Early Termination Date in respect of the relevant Transaction has occurred or been effectively designated and (3) each other

(b) *Change of Account.* Either party may change its account for receiving a payment or delivery by giving notice to the other party at least five Local Business Days prior to the scheduled date for the payment or delivery to which such change applies unless such other party gives timely notice of a reasonable objection to such change.

(c) *Netting.* If on any date amounts would otherwise be payable:—

- (i) in the same currency; and
- (ii) in respect of the same Transaction,

by each party to the other, then, on such date, each party's obligation to make payment of any such amount will be automatically satisfied and discharged and, if the aggregate amount that would otherwise have been payable by one party exceeds the aggregate amount that would otherwise have been payable by the other party, replaced by an obligation upon the party by whom the larger aggregate amount would have been payable to pay to the other party the excess of the larger aggregate amount over the smaller aggregate amount.

The parties may elect in respect of two or more Transactions that a net amount will be determined in respect of all amounts payable on the same date in the same currency in respect of such Transactions, regardless of whether such amounts are payable in respect of the same Transaction. The election may be made in the Schedule or a Confirmation by specifying that subparagraph (ii) above will not apply to the Transactions identified as being subject to the election, together with the starting date (in which case subparagraph (ii) above will not, or will cease to, apply to such Transactions from such date). This election may be made separately for different groups of Transactions and will apply separately to each pairing of branches or offices through which the parties make and receive payments or deliveries.

(d) *Default Interest; Other Amounts.* Prior to the occurrence or effective designation of an Early Termination Date in respect of the relevant Transaction, a party that defaults in the performance of any payment obligation will, to the extent permitted by law and subject to Section 6(c), be required to pay interest (before as well as after judgment) on the overdue amount to the other party on demand in the same currency as such overdue amount, for the period from (and including) the original due date for payment to (but excluding) the date of actual payment, at the Default Rate. Such interest will be calculated on the basis of daily compounding and the actual number of days elapsed. If, prior to the occurrence or effective designation of an Early Termination Date in respect of the relevant Transaction, a party defaults in the performance of any obligation required to be settled by delivery, it will compensate the other party on demand if and to the extent provided for in the relevant Confirmation or elsewhere in this Agreement.

3. Representations

Each party represents to the other party (which representations will be deemed to be repeated by each party on each date on which a Transaction is entered into) that:—

(a) *Basic Representations.*

- (i) *Status.* It is duly organized and validly existing under the laws of the jurisdiction of its organization or incorporation and, if relevant under such laws, in good standing;
- (ii) *Powers.* It has the power to execute this Agreement and any other documentation relating to this Agreement to which it is a party, to deliver this Agreement and any other documentation relating to this Agreement that it is required by this Agreement to deliver and to perform its obligations under this Agreement and any obligations it has under any Credit Support

Document to which it is a party and has taken all necessary action to authorize such execution, delivery and performance;

(iii) **No Violation or Conflict.** Such execution, delivery and performance do not violate or conflict with any law applicable to it, any provision of its constitutional documents, any order or judgment of any court or other agency of government applicable to it or any of its assets or any contractual restriction binding on or affecting it or any of its assets;

(iv) **Consents.** All governmental and other consents that are required to have been obtained by it with respect to this Agreement or any Credit Support Document to which it is a party have been obtained and are in full force and effect and all conditions of any such consents have been complied with; and

(v) **Obligations Binding.** Its obligations under this Agreement and any Credit Support Document to which it is a party constitute its legal, valid and binding obligations, enforceable in accordance with their respective terms (subject to applicable bankruptcy, reorganization, insolvency, moratorium or similar laws affecting creditors' rights generally and subject, as to enforceability, to equitable principles of general application (regardless of whether enforcement is sought in a proceeding in equity or at law)).

(b) **Absence of Certain Events.** No Event of Default or Potential Event of Default or, to its knowledge, Termination Event with respect to it has occurred and is continuing and no such event or circumstance would occur as a result of its entering into or performing its obligations under this Agreement or any Credit Support Document to which it is a party.

(c) **Absence of Litigation.** There is not pending or, to its knowledge, threatened against it or any of its Affiliates any action, suit or proceeding at law or in equity or before any court, tribunal, governmental body, agency or official or any arbitrator that is likely to affect the legality, validity or enforceability against it of this Agreement or any Credit Support Document to which it is a party or its ability to perform its obligations under this Agreement or such Credit Support Document.

(d) **Accuracy of Specified Information.** All applicable information that is furnished in writing by or on behalf of it to the other party and is identified for the purpose of this Section 3(d) in the Schedule is, as of the date of the information, true, accurate and complete in every material respect.

4. Agreements

Each party agrees with the other that, so long as either party has or may have any obligation under this Agreement or under any Credit Support Document to which it is a party:—

(a) **Furnish Specified Information.** It will deliver to the other party any forms, documents or certificates specified in the Schedule or any Confirmation by the date specified in the Schedule or such Confirmation or, if none is specified, as soon as reasonably practicable.

(b) **Maintain Authorizations.** It will use all reasonable efforts to maintain in full force and effect all consents of any governmental or other authority that are required to be obtained by it with respect to this Agreement or any Credit Support Document to which it is a party and will use all reasonable efforts to obtain any that may become necessary in the future.

(c) **Comply with Laws.** It will comply in all material respects with all applicable laws and orders to which it may be subject if failure so to comply would materially impair its ability to perform its obligations under this Agreement or any Credit Support Document to which it is a party.

5. Events of Default and Termination Events

(a) **Events of Default.** The occurrence at any time with respect to a party or, if applicable, any Credit Support Provider of such party or any Specified Entity of such party of any of the following events constitutes an event of default (an "Event of Default") with respect to such party:—

(i) **Failure to Pay or Deliver.** Failure by the party to make, when due, any payment under this Agreement or delivery under Section 2(a)(i) or 2(d) required to be made by it if such failure is not remedied on or before the third Local Business Day after notice of such failure is given to the party;

(ii) **Breach of Agreement.** Failure by the party to comply with or perform any agreement or obligation (other than an obligation to make any payment under this Agreement or delivery under Section 2(a)(i) or 2(d) or to give notice of a Termination Event) to be complied with or performed by the party in accordance with this Agreement if such failure is not remedied on or before the thirtieth day after notice of such failure is given to the party;

(iii) **Credit Support Default.**

(1) Failure by the party or any Credit Support Provider of such party to comply with or perform any agreement or obligation to be complied with or performed by it in accordance with any Credit Support Document if such failure is continuing after any applicable grace period has elapsed;

(2) the expiration or termination of such Credit Support Document or the failing or ceasing of such Credit Support Document to be in full force and effect for the purpose of this Agreement (in either case other than in accordance with its terms) prior to the satisfaction of all obligations of such party under each Transaction to which such Credit Support Document relates without the written consent of the other party; or

(3) the party or such Credit Support Provider disaffirms, disclaims, repudiates or rejects, in whole or in part, or challenges the validity of, such Credit Support Document;

(iv) **Misrepresentation.** A representation made or repeated or deemed to have been made or repeated by the party or any Credit Support Provider of such party in this Agreement or any Credit Support Document proves to have been incorrect or misleading in any material respect when made or repeated or deemed to have been made or repeated;

(v) **Default under Specified Transaction.** The party, any Credit Support Provider of such party or any applicable Specified Entity of such party (1) defaults under a Specified Transaction and, after giving effect to any applicable notice requirement or grace period, there occurs a liquidation of, an acceleration of obligations under, or an early termination of, that Specified Transaction, (2) defaults, after giving effect to any applicable notice requirement or grace period, in making any payment or delivery due on the last payment, delivery or exchange date of, or any payment on early termination of, a Specified Transaction (or such default continues for at least three Local Business Days if there is no applicable notice requirement or grace period) or (3) disaffirms, disclaims, repudiates or rejects, in whole or in part, a Specified Transaction (or such action is taken by any person or entity appointed or empowered to operate it or act on its behalf);

(vi) **Cross Default.** If "Cross Default" is specified in the Schedule as applying to the party, the occurrence or existence of (1) a default, event of default or other similar condition or event (however described) in respect of such party, any Credit Support Provider of such party or any applicable Specified Entity of such party under one or more agreements or instruments relating to

Specified Indebtedness of any of them (individually or collectively) in an aggregate amount of not less than the applicable Threshold Amount (as specified in the Schedule) which has resulted in such Specified Indebtedness becoming due and payable under such agreements or instruments, before it would otherwise have been due and payable or (2) a default by such party, such Credit Support Provider or such Specified Entity (individually or collectively) in making one or more payments on the due date thereof in an aggregate amount of not less than the applicable Threshold Amount under such agreements or instruments (after giving effect to any applicable notice requirement or grace period);

(vii) **Bankruptcy.** The party, any Credit Support Provider of such party or any applicable Specified Entity of such party:—

(1) is dissolved (other than pursuant to a consolidation, amalgamation or merger); (2) becomes insolvent or is unable to pay its debts or fails or admits in writing its inability generally to pay its debts as they become due; (3) makes a general assignment, arrangement or composition with or for the benefit of its creditors; (4) institutes or has instituted against it a proceeding seeking a judgment of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or other similar law affecting creditors' rights, or a petition is presented for its winding-up or liquidation, and, in the case of any such proceeding or petition instituted or presented against it, such proceeding or petition (A) results in a judgment of insolvency or bankruptcy or the entry of an order for relief or the making of an order for its winding-up or liquidation or (B) is not dismissed, discharged, stayed or restrained in each case within 30 days of the institution or presentation thereof; (5) has a resolution passed for its winding-up, official management or liquidation (other than pursuant to a consolidation, amalgamation or merger); (6) seeks or becomes subject to the appointment of an administrator, provisional liquidator, conservator, receiver, trustee, custodian or other similar official for it or for all or substantially all its assets; (7) has a secured party take possession of all or substantially all its assets or has a distress, execution, attachment, sequestration or other legal process levied, enforced or sued on or against all or substantially all its assets and such secured party maintains possession, or any such process is not dismissed, discharged, stayed or restrained, in each case within 30 days thereafter; (8) causes or is subject to any event with respect to it which, under the applicable laws of any jurisdiction, has an analogous effect to any of the events specified in clauses (1) to (7) (inclusive); or (9) takes any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the foregoing acts; or

(viii) **Merger Without Assumption.** The party or any Credit Support Provider of such party consolidates or amalgamates with, or merges with or into, or transfers all or substantially all its assets to, another entity and, at the time of such consolidation, amalgamation, merger or transfer:—

(1) the resulting, surviving or transferee entity fails to assume all the obligations of such party or such Credit Support Provider under this Agreement or any Credit Support Document to which it or its predecessor was a party by operation of law or pursuant to an agreement reasonably satisfactory to the other party to this Agreement; or

(2) the benefits of any Credit Support Document fail to extend (without the consent of the other party) to the performance by such resulting, surviving or transferee entity of its obligations under this Agreement.

(b) **Termination Events.** The occurrence at any time with respect to a party or, if applicable, any Credit Support Provider of such party or any Specified Entity of such party of any event specified below

constitutes an Illegality if the event is specified in (i) below, and, if specified to be applicable, a Credit Event Upon Merger if the event is specified pursuant to (ii) below or an Additional Termination Event if the event is specified pursuant to (iii) below:—

(i) **Illegality.** Due to the adoption of, or any change in, any applicable law after the date on which a Transaction is entered into, or due to the promulgation of, or any change in, the interpretation by any court, tribunal or regulatory authority with competent jurisdiction of any applicable law after such date, it becomes unlawful (other than as a result of a breach by the party of Section 4(b)) for such party (which will be the Affected Party):—

(1) to perform any absolute or contingent obligation to make a payment or delivery or to receive a payment or delivery in respect of such Transaction or to comply with any other material provision of this Agreement relating to such Transaction; or

(2) to perform, or for any Credit Support Provider of such party to perform, any contingent or other obligation which the party (or such Credit Support Provider) has under any Credit Support Document relating to such Transaction;

(ii) **Credit Event Upon Merger.** If “Credit Event Upon Merger” is specified in the Schedule as applying to the party, such party (“X”), any Credit Support Provider of X or any applicable Specified Entity of X consolidates or amalgamates with, or merges with or into, or transfers all or substantially all its assets to, another entity and such action does not constitute an event described in Section 5(a)(viii) but the creditworthiness of the resulting, surviving or transferee entity is materially weaker than that of X, such Credit Support Provider or such Specified Entity, as the case may be, immediately prior to such action (and, in such event, X or its successor or transferee, as appropriate, will be the Affected Party); or

(iii) **Additional Termination Event.** If any “Additional Termination Event” is specified in the Schedule or any Confirmation as applying, the occurrence of such event (and, in such event, the Affected Party or Affected Parties shall be as specified for such Additional Termination Event in the Schedule or such Confirmation).

(c) **Event of Default and Illegality.** If an event or circumstance which would otherwise constitute or give rise to an Event of Default also constitutes an Illegality, it will be treated as an Illegality and will not constitute an Event of Default.

6. Early Termination

(a) **Right to Terminate Following Event of Default.** If at any time an Event of Default with respect to a party (the “Defaulting Party”) has occurred and is then continuing, the other party (the “Non-defaulting Party”) may, by not more than 20 days notice to the Defaulting Party specifying the relevant Event of Default, designate a day not earlier than the day such notice is effective as an Early Termination Date in respect of all outstanding Transactions. If, however, “Automatic Early Termination” is specified in the Schedule as applying to a party, then an Early Termination Date in respect of all outstanding Transactions will occur immediately upon the occurrence with respect to such party of an Event of Default specified in Section 5(a)(vii)(1), (3), (5), (6) or, to the extent analogous thereto, (8), and as of the time immediately preceding the institution of the relevant proceeding or the presentation of the relevant petition upon the occurrence with respect to such party of an Event of Default specified in Section 5(a)(vii)(4) or, to the extent analogous thereto, (8).

(b) *Right to Terminate Following Termination Event.*

(i) *Notice.* If a Termination Event occurs, an Affected Party will, promptly upon becoming aware of it, notify the other party, specifying the nature of that Termination Event and each Affected Transaction and will also give such other information about that Termination Event as the other party may reasonably require.

(ii) *Two Affected Parties.* If an Illegality under Section 5(b)(i)(1) occurs and there are two Affected Parties, each party will use all reasonable efforts to reach agreement within 30 days after notice thereof is given under Section 6(b)(i) on action to avoid that Termination Event.

(iii) *Right to Terminate.* If:—

(1) an agreement under Section 6(b)(ii) has not been effected with respect to all Affected Transactions within 30 days after an Affected Party gives notice under Section 6(b)(i); or

(2) an Illegality other than that referred to in Section 6(b)(ii), a Credit Event Upon Merger or an Additional Termination Event occurs;

either party in the case of an Illegality, any Affected Party in the case of an Additional Termination Event if there is more than one Affected Party, or the party which is not the Affected Party in the case of a Credit Event Upon Merger or an Additional Termination Event if there is only one Affected Party may, by not more than 20 days notice to the other party and provided that the relevant Termination Event is then continuing, designate a day not earlier than the day such notice is effective as an Early Termination Date in respect of all Affected Transactions.

(c) *Effect of Designation.*

(i) If notice designating an Early Termination Date is given under Section 6(a) or (b), the Early Termination Date will occur on the date so designated, whether or not the relevant Event of Default or Termination Event is then continuing.

(ii) Upon the occurrence or effective designation of an Early Termination Date, no further payments or deliveries under Section 2(a)(i) or 2(d) in respect of the Terminated Transactions will be required to be made, but without prejudice to the other provisions of this Agreement. The amount, if any, payable in respect of an Early Termination Date shall be determined pursuant to Section 6(e).

(d) *Calculations.*

(i) *Statement.* On or as soon as reasonably practicable following the occurrence of an Early Termination Date, each party will make the calculations on its part, if any, contemplated by Section 6(e) and will provide to the other party a statement (1) showing, in reasonable detail, such calculations (including all relevant quotations and specifying any amount payable under Section 6(e)) and (2) giving details of the relevant account to which any amount payable to it is to be paid. In the absence of written confirmation from the source of a quotation obtained in determining a Market Quotation, the records of the party obtaining such quotation will be conclusive evidence of the existence and accuracy of such quotation.

(ii) *Payment Date.* An amount calculated as being due in respect of any Early Termination Date under Section 6(e) will be payable on the day that notice of the amount payable is effective (in the case of an Early Termination Date which is designated or occurs as a result of an Event of Default) and on the day which is two Local Business Days after the day on which notice of the

amount payable is effective (in the case of an Early Termination Date which is designated as a result of a Termination Event). Such amount will be paid together with (to the extent permitted under applicable law) interest thereon (before as well as after judgment), from (and including) the relevant Early Termination Date to (but excluding) the date such amount is paid, at the Applicable Rate. Such interest will be calculated on the basis of daily compounding and the actual number of days elapsed.

(e) **Payments on Early Termination.** If an Early Termination Date occurs, the following provisions shall apply based on the parties' election in the Schedule of a payment measure, either "Market Quotation" or "Loss," and a payment method, either the "First Method" or the "Second Method." If the parties fail to designate a payment measure or payment method in the Schedule, it will be deemed that "Market Quotation" or the "Second Method," as the case may be, shall apply. The amount, if any, payable in respect of an Early Termination Date and determined pursuant to this Section will be subject to any Set-off.

(i) **Events of Default.** If the Early Termination Date results from an Event of Default:—

(1) **First Method and Market Quotation.** If the First Method and Market Quotation apply, the Defaulting Party will pay to the Non-defaulting Party the excess, if a positive number, of (A) the sum of the Settlement Amount (determined by the Non-defaulting Party) in respect of the Terminated Transactions and the Unpaid Amounts owing to the Non-defaulting Party over (B) the Unpaid Amounts owing to the Defaulting Party.

(2) **First Method and Loss.** If the First Method and Loss apply, the Defaulting Party will pay to the Non-defaulting Party, if a positive number, the Non-defaulting Party's Loss in respect of this Agreement.

(3) **Second Method and Market Quotation.** If the Second Method and Market Quotation apply, an amount will be payable equal to (A) the sum of the Settlement Amount (determined by the Non-defaulting Party) in respect of the Terminated Transactions and the Unpaid Amounts owing to the Non-defaulting Party less (B) the Unpaid Amounts owing to the Defaulting Party. If that amount is a positive number, the Defaulting Party will pay it to the Non-defaulting Party; if it is a negative number, the Non-defaulting Party will pay the absolute value of that amount to the Defaulting Party.

(4) **Second Method and Loss.** If the Second Method and Loss apply, an amount will be payable equal to the Non-defaulting Party's Loss in respect of this Agreement. If that amount is a positive number, the Defaulting Party will pay it to the Non-defaulting Party; if it is a negative number, the Non-defaulting Party will pay the absolute value of that amount to the Defaulting Party.

(ii) **Termination Events.** If the Early Termination Date results from a Termination Event:—

(1) **One Affected Party.** If there is one Affected Party, the amount payable will be determined in accordance with Section 6(e)(i)(3), if Market Quotation applies, or Section 6(e)(i)(4), if Loss applies, except that, in either case, references to the Defaulting Party and to the Non-defaulting Party will be deemed to be references to the Affected Party and the party which is not the Affected Party, respectively, and, if Loss applies and fewer than all the Transactions are being terminated, Loss shall be calculated in respect of all Terminated Transactions.

(2) **Two Affected Parties.** If there are two Affected Parties:—

(A) if Market Quotation applies, each party will determine a Settlement Amount in respect of the Terminated Transactions, and an amount will be payable equal to (I) the sum of (a) one-half of the difference between the Settlement Amount of the party with the higher Settlement Amount ("X") and the Settlement Amount of the party with the lower Settlement Amount ("Y") and (b) the Unpaid Amounts owing to X less (II) the Unpaid Amounts owing to Y; and

(B) if Loss applies, each party will determine its Loss in respect of this Agreement (or, if fewer than all the Transactions are being terminated, in respect of all Terminated Transactions) and an amount will be payable equal to one-half of the difference between the Loss of the party with the higher Loss ("X") and the Loss of the party with the lower Loss ("Y").

If the amount payable is a positive number, Y will pay it to X; if it is a negative number, X will pay the absolute value of that amount to Y.

(iii) **Adjustment for Bankruptcy.** In circumstances where an Early Termination Date occurs because "Automatic Early Termination" applies in respect of a party, the amount determined under this Section 6(e) will be subject to such adjustments as are appropriate and permitted by law to reflect any payments or deliveries made by one party to the other under this Agreement (and retained by such other party) during the period from the relevant Early Termination Date to the date for payment determined under Section 6(d)(ii).

(iv) **Pre-Estimate.** The parties agree that if Market Quotation applies an amount recoverable under this Section 6(e) is a reasonable pre-estimate of loss and not a penalty. Such amount is payable for the loss of bargain and the loss of protection against future risks and except as otherwise provided in this Agreement neither party will be entitled to recover any additional damages as a consequence of such losses.

7. Transfer

Neither this Agreement nor any interest or obligation in or under this Agreement may be transferred (whether by way of security or otherwise) by either party without the prior written consent of the other party, except that:—

(a) a party may make such a transfer of this Agreement pursuant to a consolidation or amalgamation with, or merger with or into, or transfer of all or substantially all of its assets to, another entity (but without prejudice to any other right or remedy under this Agreement); and

(b) a party may make such a transfer of all or any part of its interest in any amount payable to it from a Defaulting Party under Section 6(e).

Any purported transfer that is not in compliance with this Section will be void.

8. Miscellaneous

(a) **Entire Agreement.** This Agreement constitutes the entire agreement and understanding of the parties with respect to its subject matter and supersedes all oral communication and prior writings with respect thereto.

(b) **Amendments.** No amendment, modification or waiver in respect of this Agreement will be effective unless in writing (including a writing evidenced by a facsimile transmission) and executed by each of the parties or confirmed by an exchange of telexes or electronic messages on an electronic messaging system.

(c) **Survival of Obligations.** Without prejudice to Sections 2(a)(iii) and 6(c)(ii), the obligations of the parties under this Agreement will survive the termination of any Transaction.

(d) **Remedies Cumulative.** Except as provided in this Agreement, the rights, powers, remedies and privileges provided in this Agreement are cumulative and not exclusive of any rights, powers, remedies and privileges provided by law.

(e) **Counterparts and Confirmations.**

(i) This Agreement (and each amendment, modification and waiver in respect of it) may be executed and delivered in counterparts (including by facsimile transmission), each of which will be deemed an original.

(ii) The parties intend that they are legally bound by the terms of each Transaction from the moment they agree to those terms (whether orally or otherwise). A Confirmation shall be entered into as soon as practicable and may be executed and delivered in counterparts (including by facsimile transmission) or be created by an exchange of telexes or by an exchange of electronic messages on an electronic messaging system, which in each case will be sufficient for all purposes to evidence a binding supplement to this Agreement. The parties will specify therein or through another effective means that any such counterpart, telex or electronic message constitutes a Confirmation.

(f) **No Waiver of Rights.** A failure or delay in exercising any right, power or privilege in respect of this Agreement will not be presumed to operate as a waiver, and a single or partial exercise of any right, power or privilege will not be presumed to preclude any subsequent or further exercise, of that right, power or privilege or the exercise of any other right, power or privilege.

(g) **Headings.** The headings used in this Agreement are for convenience of reference only and are not to affect the construction of or to be taken into consideration in interpreting this Agreement.

9. Expenses

A Defaulting Party will, on demand, indemnify and hold harmless the other party for and against all reasonable out-of-pocket expenses, including legal fees, incurred by such other party by reason of the enforcement and protection of its rights under this Agreement or any Credit Support Document to which the Defaulting Party is a party or by reason of the early termination of any Transaction, including, but not limited to, costs of collection.

10. Notices

(a) **Effectiveness.** Any notice or other communication in respect of this Agreement may be given in any manner set forth below (except that a notice or other communication under Section 5 or 6 may not be given by facsimile transmission or electronic messaging system) to the address or number or in accordance with the electronic messaging system details provided (see the Schedule) and will be deemed effective as indicated:—

(i) if in writing and delivered in person or by courier, on the date it is delivered;

(ii) if sent by telex, on the date the recipient's answerback is received;

(iii) if sent by facsimile transmission, on the date that transmission is received by a responsible employee of the recipient in legible form (it being agreed that the burden of proving receipt will be on the sender and will not be met by a transmission report generated by the sender's facsimile machine);

(iv) if sent by certified or registered mail (airmail, if overseas) or the equivalent (return receipt requested), on the date that mail is delivered or its delivery is attempted; or

(v) if sent by electronic messaging system, on the date that electronic message is received,

unless the date of that delivery (or attempted delivery) or that receipt, as applicable, is not a Local Business Day or that communication is delivered (or attempted) or received, as applicable, after the close of business on a Local Business Day, in which case that communication shall be deemed given and effective on the first following day that is a Local Business Day.

(b) **Change of Addresses.** Either party may by notice to the other change the address, telex or facsimile number or electronic messaging system details at which notices or other communications are to be given to it.

11. Governing Law and Jurisdiction

(a) **Governing Law.** This Agreement will be governed by and construed in accordance with the law specified in the Schedule.

(b) **Jurisdiction.** With respect to any suit, action or proceedings relating to this Agreement ("Proceedings"), each party irrevocably:—

(i) submits to the jurisdiction of the English courts, if this Agreement is expressed to be governed by English law, or to the non-exclusive jurisdiction of the courts of the State of New York and the United States District Court located in the Borough of Manhattan in New York City, if this Agreement is expressed to be governed by the laws of the State of New York; and

(ii) waives any objection which it may have at any time to the laying of venue of any Proceedings brought in any such court, waives any claim that such Proceedings have been brought in an inconvenient forum and further waives the right to object, with respect to such Proceedings, that such court does not have any jurisdiction over such party.

Nothing in this Agreement precludes either party from bringing Proceedings in any other jurisdiction (outside, if this Agreement is expressed to be governed by English law, the Contracting States, as defined in Section 1(3) of the Civil Jurisdiction and Judgments Act 1982 or any modification, extension or re-enactment thereof for the time being in force) nor will the bringing of Proceedings in any one or more jurisdictions preclude the bringing of Proceedings in any other jurisdiction.

(c) **Waiver of Immunities.** Each party irrevocably waives, to the fullest extent permitted by applicable law, with respect to itself and its revenues and assets (irrespective of their use or intended use), all immunity on the grounds of sovereignty or other similar grounds from (i) suit, (ii) jurisdiction of any court, (iii) relief by way of injunction, order for specific performance or for recovery of property, (iv) attachment of its assets (whether before or after judgment) and (v) execution or enforcement of any judgment to which it or its revenues or assets might otherwise be entitled in any Proceedings in the courts of any jurisdiction and irrevocably agrees, to the extent permitted by applicable law, that it will not claim any such immunity in any Proceedings.

12. Definitions

"Defaulting Party" has the meaning specified in Section 6(a).

"Early Termination Date" means the date determined in accordance with Section 6(a) or 6(b)(iii).

"Event of Default" has the meaning specified in Section 5(a) and, if applicable, in the Schedule.

"Illegality" has the meaning specified in Section 5(b).

"law" includes any treaty, law, rule or regulation and **"lawful"** and **"unlawful"** will be construed accordingly.

"Local Business Day" means, subject to the Schedule, a day on which commercial banks are open for business (including dealings in foreign exchange and foreign currency deposits) (a) in relation to any obligation under Section 2(a)(i), in the place(s) specified in the relevant Confirmation or, if not so specified, as otherwise agreed by the parties in writing or determined pursuant to provisions contained, or incorporated by reference, in this Agreement, (b) in relation to any other payment, in the place where the relevant account is located, (c) in relation to any notice or other communication, including notice contemplated under Section 5(a)(i), in the city specified in the address for notice provided by the recipient and, in the case of a notice contemplated by Section 2(b), in the place where the relevant new account is

to be located and (d) in relation to Section 5(a)(v)(2), in the relevant locations for performance with respect to such Specified Transaction.

“Loss” means, with respect to this Agreement or one or more Terminated Transactions, as the case may be, and a party, an amount that party reasonably determines in good faith to be its total losses and costs (or gain, in which case expressed as a negative number) in connection with this Agreement or that Terminated Transaction or group of Terminated Transactions, as the case may be, including any loss of bargain, cost of funding or, at the election of such party but without duplication, loss or cost incurred as a result of its terminating, liquidating, obtaining or reestablishing any hedge or related trading position (or any gain resulting from any of them). Loss includes losses and costs (or gains) in respect of any payment or delivery required to have been made (assuming satisfaction of each applicable condition precedent) on or before the relevant Early Termination Date and not made, except, so as to avoid duplication, if Section 6(e)(i)(1) or (3) or 6(e)(ii)(2)(A) applies. Loss does not include a party’s legal fees and out-of-pocket expenses referred to under Section 9. A party will determine its Loss as of the relevant Early Termination Date, or, if that is not reasonably practicable, as of the earliest date thereafter as is reasonably practicable. A party may (but need not) determine its Loss by reference to quotations of relevant rates or prices from one or more leading dealers in the relevant markets.

“Market Quotation” means, with respect to one or more Terminated Transactions and a party making the determination, an amount determined on the basis of quotations from Reference Market-makers. Each quotation will be for an amount, if any, that would be paid to such party (expressed as a negative number) or by such party (expressed as a positive number) in consideration of an agreement between such party (taking into account any existing Credit Support Document with respect to the obligations of such party) and the quoting Reference Market-maker to enter into a transaction (the “Replacement Transaction”) that would have the effect of preserving for such party the economic equivalent of any payment or delivery (whether the underlying obligation was absolute or contingent and assuming the satisfaction of each applicable condition precedent) by the parties under Section 2(a)(i) in respect of such Terminated Transaction or group of Terminated Transactions that would, but for the occurrence of the relevant Early Termination Date, have been required after that date. For this purpose, Unpaid Amounts in respect of the Terminated Transaction or group of Terminated Transactions are to be excluded but, without limitation, any payment or delivery that would, but for the relevant Early Termination Date, have been required (assuming satisfaction of each applicable condition precedent) after that Early Termination Date is to be included. The Replacement Transaction would be subject to such documentation as such party and the Reference Market-maker may, in good faith, agree. The party making the determination (or its agent) will request each Reference Market-maker to provide its quotation to the extent reasonably practicable as of the same day and time (without regard to different time zones) on or as soon as reasonably practicable after the relevant Early Termination Date. The day and time as of which those quotations are to be obtained will be selected in good faith by the party obliged to make a determination under Section 6(e), and, if each party is so obliged, after consultation with the other. If more than three quotations are provided, the Market Quotation will be the arithmetic mean of the quotations, without regard to the quotations having the highest and lowest values. If exactly three such quotations are provided, the Market Quotation will be the quotation remaining after disregarding the highest and lowest quotations. For this purpose, if more than one quotation has the same highest value or lowest value, then one of such quotations shall be disregarded. If fewer than three quotations are provided, it will be deemed that the Market Quotation in respect of such Terminated Transaction or group of Terminated Transactions cannot be determined.

“Non-default Rate” means a rate per annum equal to the cost (without proof or evidence of any actual cost) to the Non-defaulting Party (as certified by it) if it were to fund the relevant amount.

“Non-defaulting Party” has the meaning specified in Section 6(a).

“Potential Event of Default” means any event which, with the giving of notice or the lapse of time or both, would constitute an Event of Default.

"Reference Market-makers" means four leading dealers in the relevant market selected by the party determining a Market Quotation in good faith (a) from among dealers of the highest credit standing which satisfy all the criteria that such party applies generally at the time in deciding whether to offer or to make an extension of credit and (b) to the extent practicable, from among such dealers having an office in the same city.

"Scheduled Payment Date" means a date on which a payment or delivery is to be made under Section 2(a)(i) with respect to a Transaction.

"Settlement Amount" means, with respect to a party and any Early Termination Date, the sum of:—

(a) the Market Quotations (whether positive or negative) for each Terminated Transaction or group of Terminated Transactions for which a Market Quotation is determined; and

(b) such party's Loss (whether positive or negative and without reference to any Unpaid Amounts) for each Terminated Transaction or group of Terminated Transactions for which a Market Quotation cannot be determined or would not (in the reasonable belief of the party making the determination) produce a commercially reasonable result.

"Specified Entity" has the meaning specified in the Schedule.

"Specified Indebtedness" means, subject to the Schedule, any obligation (whether present or future, contingent or otherwise, as principal or surety or otherwise) in respect of borrowed money.

"Specified Transaction" means, subject to the Schedule, (a) any transaction (including an agreement with respect thereto) now existing or hereafter entered into between one party to this Agreement (or any Credit Support Provider of such party or any applicable Specified Entity of such party) and the other party to this Agreement (or any Credit Support Provider of such other party or any applicable Specified Entity of such other party) which is a rate swap transaction, basis swap, forward rate transaction, commodity swap, commodity option, equity or equity index swap, equity or equity index option, bond option, interest rate option, foreign exchange transaction, cap transaction, floor transaction, collar transaction, currency swap transaction, cross-currency rate swap transaction, currency option or any other similar transaction (including any option with respect to any of these transactions), (b) any combination of these transactions and (c) any other transaction identified as a Specified Transaction in this Agreement or the relevant confirmation.

"Terminated Transactions" means with respect to any Early Termination Date (a) if resulting from a Termination Event, all Affected Transactions and (b) if resulting from an Event of Default, all Transactions (in either case) in effect immediately before the effectiveness of the notice designating that Early Termination Date (or, if "Automatic Early Termination" applies, immediately before that Early Termination Date).

"Termination Event" means an Illegality or, if specified to be applicable, a Credit Event Upon Merger or an Additional Termination Event.

"Termination Rate" means a rate per annum equal to the arithmetic mean of the cost (without proof or evidence of any actual cost) to each party (as certified by such party) if it were to fund or of funding such amounts.

"Unpaid Amounts" owing to any party means, with respect to an Early Termination Date, the aggregate of (a) in respect of all Terminated Transactions, the amounts that became payable (or that would have become payable but for Section 2(a)(iii)) to such party under Section 2(a)(i) on or prior to such Early

Termination Date and which remain unpaid as at such Early Termination Date and (b) in respect of each Terminated Transaction, for each obligation under Section 2(a)(i) which was (or would have been but for Section 2(a)(iii)) required to be settled by delivery to such party on or prior to such Early Termination Date and which has not been so settled as at such Early Termination Date, an amount equal to the fair market value of that which was (or would have been) required to be delivered as of the originally scheduled date for delivery, in each case together with (to the extent permitted under applicable law) interest, in the currency of such amounts, from (and including) the date such amounts or obligations were or would have been required to have been paid or performed to (but excluding) such Early Termination Date, at the Applicable Rate. Such amounts of interest will be calculated on the basis of daily compounding and the actual number of days elapsed. The fair market value of any obligation referred to in clause (b) above shall be reasonably determined by the party obliged to make the determination under Section 6(e) or, if each party is so obliged, it shall be the average of the fair market values reasonably determined by both parties.

(3) the unenhanced rating on Party B's Certificates from (a) Standard & Poor's Rating Services is withdrawn, suspended or falls below “BBB-”, or

(b) Moody's Investors Service, Inc. is withdrawn, suspended or falls below "Baa3"; and

provided further, however, that no Additional Termination Event shall occur under this clause (ii) unless Party A has notified Party B that an Insurer ratings downgrade has occurred and Party B has not, within 30 days of receiving such notice provided a Credit Support Provider acceptable to Party A whose obligations are pursuant to a Credit Support Document acceptable to Party A; or

(iii) An Insurer Event has occurred and is continuing provided, however, that additionally:

- (1) an Event of Default has occurred or is continuing with respect to Party B as the Defaulting Party; or
- (2) a Termination Event has occurred or is continuing with respect to Party B as the Affected Party; or
- (3) the rating on Party B's Certificates from (a) Standard & Poor's Rating Services is withdrawn, suspended or falls below "BBB-", or (b) Moody's Investors Service, Inc. is withdrawn, suspended or falls below "Baa3"; and

provided further, however, that no Additional Termination Event shall occur under this clause (iii) unless Party A has notified Party B that an Insurer Event has occurred and Party B has not within 30 days of receiving such notice provided a Credit Support Provider acceptable to Party A whose obligations are pursuant to a Credit Support Document acceptable to Party A.

Any of the following shall be considered an "Insurer Event":

- (1) the Swap Insurer is in conservation, liquidation or receivership under the New York Insurance Laws; or
- (2) Insurer (a) fails to have (1) a claims-paying ability rating of at least "AAA" from S&P, or (2) a financial strength rating of at least "Aaa" from Moody's; and (b) fails to pay obligations for indebtedness for money borrowed or to meet then-current policy obligations for which claims have been properly presented in an aggregate amount in excess of \$100,000,000, which failure to make payment (in whole or in part) is not due to: (u) administrative error; (v) Insurer action to contest a claim; (w) an order from, or action by, a regulator of Insurer which forbids, delays or impedes such payment, except in connection with an Insurer insolvency, conservation or receivership; (x) the occurrence of an act of God which prevents such payment; (y) the usual mechanisms or channels employed to make such payment being unavailable to Insurer through no fault of Insurer; (z) a statute, rule or order (including, but not limited to exchange

controls) which forbids, delays or impedes either (i) such payment, other than in connection with an Insurer insolvency, conservation or receivership, or (ii) the acquisition of, or payment in, a currency required in order to make such payment; or

For purposes of any Additional Termination Event described under clause (i), (ii), or (iii), the sole "Affected Party" shall be Party B.

(c) **Party A Additional Termination Event.** Party A or its guarantor's long-term senior unsecured debt rating from (a) Standard & Poor's Rating Services is withdrawn, suspended or falls below "BBB-", or (b) Moody's Investors Service, Inc. is withdrawn, suspended or falls below "Baa3".

For purposes of the foregoing Termination Event the "Affected Party" shall be Party A.

(d) **Insurer Directed Termination.** Notwithstanding anything in this Agreement, if an Event of Default under this Agreement occurs with respect to Party B as the Defaulting Party or any Termination Event under this Agreement occurs with respect to Party B as the Affected Party, then the Swap Insurer (so long as it has not failed to make any payment under the terms and conditions of the Swap Policy) shall have the right (but not the obligation) upon notice to Party A to designate an Early Termination Date with respect to Party B with the same effect as if such designation were made by Party A. For purposes of the foregoing sentence, an Event of Default with respect to Party B shall be considered to be continuing, notwithstanding any payment by the Swap Insurer under the Swap Insurance Policy. Party A and Party B acknowledge that, except as the Swap Policy may be otherwise endorsed, unless (x) the Swap Insurer designates an Early Termination Date (as opposed to merely consenting to such designation by one of the parties) or (y) an Additional Termination Event specified in Part 5(b)(i) or (ii) has occurred, payments due from Party B because an Early Termination Date has been designated will not be insured. In any event, the parties acknowledge that pursuant to the Swap Insurance Policy that (i) the amount payable by the Swap Insurer in respect of payments due from Party B because an Early Termination Date has been designated by the Swap Insurer shall not be limited in amount, and (ii) the amount payable by the Swap Insurer in respect of payments due from Party B because an Early Termination Date has been designated by Party A shall not exceed the amount specified in the Swap Insurance Policy.

(e) **Amendments.** Section 8(b) of the Agreement is hereby amended by (A) adding the words "or any Credit Support Document" after the word "Agreement" in the first line thereof and (B) adding the phrase "and the Swap Insurer" following the words "parties" in the third line thereof.

(f) **Transfers/Assignments.** Notwithstanding Section 7 of the Agreement, except as provided in Part 6(c) hereof, neither party may transfer, assign or delegate its rights or duties with respect to an XL Insured Rate Swap Transaction under the Agreement, unless it receives the prior written consent of the Swap Insurer, provided, however, Party A may assign or delegates its rights and duties without the Swap Insurer's prior written consent to a party (a) that meets the definition of "Reference Market Maker" (other than the ratings requirement set forth therein) and that has long-term senior unsecured debt ratings at least in the single -A category from Moody's and S&P

or the Credit Support Provider of such party has claims paying ability ratings or financial strength ratings at least in the single –A category from Moody’s and S&P and (b) that assumes the rights and duties of Party A pursuant to a master agreement that is substantially similar to this Agreement and in form and substance satisfactory to the Swap Insurer, and provided, further, Party A may make such an assignment or delegation to an affiliate of Party A if Party A or its Credit Support Provider, provides a guarantee of the XL Insured Rate Swap Transaction that is reasonably acceptable in form and substance to the Swap Insurer.

(g) **No Suspension of Payments.** Notwithstanding Section 2(a)(iii) of this Agreement, Party A shall not suspend any payments due under an Insured Rate Swap Transaction under Section 2(a)(iii) of the Agreement unless Party A has designated an Early Termination Date pursuant to the terms hereof.

(h) **No Netting.** Notwithstanding Section 2(c) of this Agreement, in no event shall either Party A or Party B be entitled to net its payment obligations in respect of the Insured Rate Swap Transactions against the payment obligations of the other party in respect of other Transactions under this Agreement if such Transactions are not Insured Rate Swap Transactions, nor may either Party A or Party B net the payment obligations of the other party under Transactions that are not Insured Rate Swap Transactions against the payment obligations of such party under Insured Rate Swap Transactions, it being the intention of the parties that their payment obligations under Insured Rate Swap Transactions be treated separate and apart from all other Transactions. Section 6(e) of this Agreement shall apply to all Insured Rate Swap Transactions with the same effect as if the Insured Rate Swap Transactions constituted a single master agreement. Notwithstanding Section 6(e) of this Agreement, the amount payable under Section 6(e) of this Agreement upon the termination of any Insured Rate Swap Transactions shall be determined without regard to any Transactions other than the Insured Rate Swap Transactions, it being the intention of the parties that their payment obligations under the Insured Rate Swap Transactions be treated separate and apart from all other Transactions unless otherwise agreed to in writing by the Swap Insurer.

(i) **No Set-off for Counterclaim.** In no event shall either Party A or Party B be entitled to set-off its payment obligations in respect of an Insured Rate Swap Transaction against the payment obligations of the other party (whether by counterclaim or otherwise) under any other agreement(s) between Party A and Party B or instrument(s) or undertaking(s) issued or executed by one party to, or in favor of, the other party, if such obligations are not Insured Rate Swap Transactions, or net the payment obligations of the other party that are not with respect to Insured Rate Swap Transactions against the payment obligations of such party under Insured Rate Swap Transactions, it being the intention of the parties that their payment obligations under Insured Rate Swap Transactions be treated separate and apart from all other obligations. Notwithstanding Section 6(e) of this Agreement, the amount payable under Section 6(e) of this Agreement upon the termination of any Insured Rate Swap Transaction shall be determined without regard to any obligation other than those under the Insured Rate Swap Transactions, it being the intention of the parties that their payment obligations under the Insured Rate Swap Transactions be treated separate and apart from all other obligations unless otherwise specified in such other obligation and agreed to in writing by the Swap Insurer.

(j) **Party A – Notice of Rating Downgrade, Suspension or Withdrawal.** Party A shall provide written notice to Party B and to the Swap Insurer of any downgrade, withdrawal or suspension of Party A's Credit Support Provider's long-term senior unsecured debt rating, within 15 Business Days of the occurrence of such event. Failure of Party A to provide such notice shall not constitute an Event of Default under this Agreement.

(k) **Representations and Agreements.** Each party agrees that each of its representations and agreements in this Agreement is expressly made to and for the benefit of the Swap Insurer.

(l) **Third-party Beneficiary.** Party A and Party B hereby each acknowledge and agree that the Swap Insurer shall be an express third-party beneficiary (and not merely an incidental third-party beneficiary) of this Agreement and of the obligations of each such party under any Insured Rate Swap Transaction, and as such, entitled to enforce the Agreement and the terms of any such Insured Rate Swap Transaction against such party on its own behalf and otherwise shall be afforded all remedies available hereunder or otherwise afforded by law against the parties hereto to redress any damage or loss incurred by the Swap Insurer including, but not limited to, fees (including professional fees), costs and expenses incurred by the Swap Insurer which are related to, or resulting from any breach by such party of its obligations hereunder.

(m) **Policy Coverage.** Party A and Party B hereby acknowledge and agree that the Swap Insurer's obligation with respect to Insured Rate Swap Transactions shall be limited to the terms of the Swap Insurance Policy. Notwithstanding Section 2(d) or any other provision of this Agreement, the Swap Insurer shall not have any obligation to pay interest on any amount payable by Party B under this Agreement.

(n) **Subrogation.** Party A and Party B hereby acknowledge that to the extent of payments made by the Swap Insurer to Party A under the Swap Insurance Policy, the Swap Insurer shall be fully subrogated to the rights of Party A against Party B under the Insured Rate Swap Transaction to which such payments relate, including, but not limited to, the right to receive payment from Party B and the enforcement of any remedies. Party A hereby agrees to assign to the Swap Insurer its right to receive payment from Party B under any Insured Rate Swap Transaction to the extent of any payment thereunder by the Swap Insurer to Party A. Party B hereby acknowledges and consents to the assignment by Party A to the Swap Insurer of any rights and remedies that Party A has under any Insured Rate Swap Transaction or any other document executed in connection herewith.

(o) **Isolation of Insured Rate Swap Transactions in Designating an Early Termination Date.**

(i) Notwithstanding Section 6 of this Agreement, any designation of an Early Termination Date in respect of non-Swap Insurer Insured Rate Swap Transactions by Party A or Party B shall not apply to any Insured Rate Swap Transactions under this Agreement, unless expressly provided in such designation and agreed to in writing by the Swap Insurer.

(ii) Notwithstanding Section 6 of this Agreement, any designation of an Early Termination Date in respect of the Insured Rate Swap Transactions by the Swap Insurer

or by Party A or Party B shall apply only to the Insured Rate Swap Transactions and not to any other Transaction under this Agreement, unless expressly provided in such designation and agreed to in writing by the Swap Insurer. Nothing contained in this Part 5(o) shall affect the rights of Party A under this Agreement to designate an Early Termination Date in respect of any Transaction that is not an Insured Rate Swap Transaction, which designation shall not apply to the Insured Rate Swap Transactions.

(p) **Expenses.** Party B agrees to reimburse the Swap Insurer immediately and unconditionally upon demand for all reasonable expenses incurred by the Swap Insurer in connection with the issuance of the Swap Insurance Policy and the enforcement by the Swap Insurer of Party B's obligations under this Agreement and any other documents executed in connection with the execution and delivery of this Agreement, including, but not limited to, fees (including professional fees), costs and expenses incurred by the Swap Insurer which are related to, or resulting from, any breach by Party B of its obligations hereunder.

(q) **Notices.** A copy of each notice or other communication between the parties with respect to this Agreement must be forwarded to the Swap Insurer by the party distributing such notice or other communication and any such notice or other communication shall not be effective as to the parties hereto until it has been received by the Swap Insurer.

(r) **Reference Market-makers.** The definition of "Reference Market-makers" set forth in Section 12 of the Agreement shall be amended in its entirety to read as follows:

"Reference Market-makers" means four (4) leading dealers in the relevant swap market selected by the party determining a Market Quotation in good faith (a) from among dealers of the highest credit standing which satisfy all the criteria that such party applies generally at the time of deciding whether to offer or to make an extension of credit and (b) to the extent practicable, from among dealers having an office in the same metropolitan area. The rating classification assigned to any outstanding long-term senior debt securities of such dealers shall be at least (1) "A1" or higher as determined by Moody's, (2) "A+" or higher as determined by S&P or if not rated by one of S&P or Moody's, (3) an equivalent investment grade rating determined by a nationally-recognized rating service acceptable to both parties, provided, however, that in any case, if Market Quotations cannot be determined by four (4) such dealers, the party making the determination of the Market Quotation may designate, with the consent of the other party and the Swap Insurer, one (1) or more leading dealers whose long-term senior debt bears a lower investment grade rating or the parties may agree, with the consent of the Swap Insurer, to use fewer than four (4) leading dealers.

(s) **Party A Delivery of Legal Opinion.** Party A will be required to deliver a legal opinion with respect to its power and authority to enter into the Agreement and to the enforceability of the Agreement, satisfactory in form and substance to the Swap Insurer, with the Swap Insurer as an addressee.

(t) **Additional Representations of Party B.** Party B hereby further represents to Party A (which representations will be deemed to be repeated by Party B at all times until the termination of this Agreement) that:

(i) This Agreement has been, and each Transaction hereunder will be (and, if applicable, has been), entered into for the purposes of managing its borrowings and not for purposes of speculation.

(ii) Party B has taken all steps necessary or advisable to create the security and source of payment for Party B's obligations hereunder described in Section 4(f) of the Agreement.

(iii) Any Transaction entered into pursuant to this Agreement together with any transactions that Party B has or may enter into with Party A and/or with any or all other parties does not and will not violate or exceed any limits or restrictions contained in any authorizations, approvals or resolutions of the board of directors, shareholders or other authorized body of Party B.

(iv) The execution and delivery by Party B of this Agreement, each Confirmation and any other documentation relating hereto, and the performance of Party B of its obligations hereunder and thereunder, are in furtherance, and not in violation, of the municipal purposes for which Party B is organized pursuant to the laws of the State of Michigan.

(v) This Agreement and each Transaction hereunder do not constitute any kind of investment by Party B that is proscribed by any constitution, charter, law, rule, regulation, government code, constituent or governing instrument, resolution, guideline, ordinance, order, writ, judgment, decree, charge, or ruling to which Party B (or any of its officials in their respective capacities as such) or its property is subject.

Part 6.

Transaction Transfer Provisions.

(a) **Bankruptcy Code.** It is the express intention of Party A, Party B and each Credit Support Provider of any party that (i) this Agreement and all Transactions hereunder, the Transaction Transfer Agreement (including, without limitation, the option granted therein), and any Credit Support Annex that may be entered into between Party B and the Credit Support Provider shall collectively constitute a single agreement; (ii) the foregoing, together with the Transfer Swap Agreement and Transfer Transactions thereunder (as such terms are defined in the Transaction Transfer Agreement) shall each constitute a "swap agreement" as defined in section 101(53B) of Title 11 of the United States Code, Sections 101-1330 (the "Bankruptcy Code"); and (iii) each of the parties constitutes a "swap participant" under section 101(53C) of the Bankruptcy Code, in each case subject to and entitled to the exemptions and protections afforded by, among other things, sections 362(b)(17), 546(g), 548(d) and 560 of the Bankruptcy Code.

(b) **Transaction Transfer Agreement.** Notwithstanding anything contained herein to the contrary, neither Credit Support Provider shall have any obligations under this Agreement (other than as a result of the operation of Part 6(c) below, if applicable) and shall only have such obligations as are expressly provided for in the Transaction Transfer Agreement. The parties hereto agree that the Credit Support Providers shall be express third party beneficiaries of this Agreement, including but not limited to all of the representations, covenants, agreements and

other obligations of the parties to this Agreement. Additionally, notwithstanding anything contained herein to the contrary, the parties hereby agree that in the event Credit Support Providers are replaced as the "Credit Support Provider" by a Substitute Credit Support Provider (as defined in the Transaction Transfer Agreement) under the Transaction Transfer Agreement in accordance with the terms thereof, then the Substitute Credit Support Provider shall be deemed to be the Credit Support Provider hereunder and all references herein to either Credit Support Provider or both shall be deemed to be references to such Substitute Credit Support Provider.

(c) *Assignment.*

- (i) Notwithstanding Part 5 of this Agreement, Party B, Party A and the Insurer (by its delivery of the Swap Policy is deemed to have agreed) each hereby acknowledges and agrees that (A) provided that Party A is not a Defaulting Party or the sole Affected Party, Party A shall have at any time, other than following the occurrence of an Event of Default under this Agreement where Party B is the Defaulting Party or a Termination Event under this Agreement where Party B is the Affected Party or any event which with the giving of notice and/or the passage of time would constitute an Event of Default under this Agreement where Party B is the Defaulting Party or a Termination Event under this Agreement where Party B is the Affected Party, the right to transfer and assign all of Party A's rights, interests and obligations in, to and under this Agreement and all Transactions hereunder to MLCS by written notice to Party B and the Credit Support Providers specifying the effective date (such effective date, the "Assignment Date") of such transfer and assignment (and such transfer and assignment shall automatically occur as of the Assignment Date without the need for further action by any party), and (B) MLCS shall have the right, at any time and for any reason in its sole discretion, to request that Party A transfer and assign all of Party A's rights, interests and obligations in, to and under this Agreement and all Transactions hereunder to MLCS by written notice to Party B and Party A specifying the Assignment Date of such transfer and assignment (and such transfer and assignment shall automatically occur as of the Assignment Date without the need for further action by any party).
- (ii) Upon the Assignment Date of any transfer and assignment specified in accordance with Part 6(c)(i) above, (A) the Provider shall be deemed to have transferred and assigned all of its rights, interests and obligations in, to and under this Agreement and all Transactions hereunder to MLCS, (B) MLCS shall have all the rights that the Provider would have under this Agreement and all Transactions hereunder, (C) MLCS shall be obligated to perform all existing and unperformed obligations of the Provider under this Agreement and all Transactions hereunder, including those obligations arising before the Assignment Date but not yet performed, (D) Party B shall remain obligated to perform all of its existing and unperformed obligations under this Agreement and all Transactions hereunder, including those obligations arising before the Assignment Date but not yet performed, (E) the Provider and Party B shall be released and discharged from all obligations to each other with respect to this Agreement and all Transactions hereunder, and their

respective rights and obligations hereunder and thereunder shall be cancelled with no payments owed by either party to the other, (F) on and after the Assignment Date, the provisions set forth in Exhibit B to the Transaction Transfer Agreement shall be applicable to this Agreement and all Transactions hereunder, (G) the Transaction Transfer Agreement shall simultaneously automatically terminate without the need for further action by any party thereto, and (H) the guarantee of ML & Co. (as set forth in the Transaction Transfer Agreement) shall apply to the Agreement as assigned (and shall no longer apply to the terminated Transaction Transfer Agreement).

- (iii) Party B, Party A and Credit Support Provider shall execute such instruments of assignment, assumption and release or discharge, of a ministerial nature, as any of them may reasonably request to evidence or effectuate the provisions in this Part 6(c).

Part 7.

Credit Support Provisions.

(a) In the event that a Settlement Amount would be payable by Party A to Party B, Party B agrees that (i) the termination of this Agreement concurrently with the entry by MLCS into a Transfer Swap Agreement (as defined in Paragraph 2 of the Transaction Transfer Agreement) with Party B in accordance with Paragraph 2 of the Transaction Transfer Agreement, (ii) the agreement by Party A to pay such Settlement Amount to MLCS in consideration of MLCS entering into such Transfer Swap Agreement (and Party A hereby agrees to pay such Settlement Amount); *provided*, that the Transaction Transfer Agreement shall be effective irrespective of the nonpayment of such Settlement Amount by Party A to MLCS, and (iii) the payment by MLCS to Party B of any net Unpaid Amounts owing to Party B (which MLCS agrees to pay pursuant to the Transaction Transfer Agreement), shall constitute full satisfaction of any payment otherwise owing from Party A to Party B pursuant to Section 6(e) of this Agreement, and that Party A shall be fully discharged from any and all obligations under Section 6(e) of this Agreement. In the event that any net Unpaid Amounts would be owing by Party B to Party A (such that clause (iii) of the preceding sentence would not be applicable), Party A hereby assigns to MLCS, absolutely and not for purposes of security, all of Party A's right to receive any such net Unpaid Amounts from Party B, and Party A agrees that only MLCS shall be entitled to receive any such net Unpaid Amounts from Party B, and that Party A shall have no recourse to Party B with respect thereto.

(b) In the event that a Settlement Amount would be payable by Party B to Party A, Party A agrees that (i) the termination of this Agreement concurrently with the entry by MLCS into a Transfer Swap Agreement with Party B in accordance with Paragraph 2 of the Transaction Transfer Agreement, (ii) the agreement by MLCS to pay such Settlement Amount to Party B in consideration of Party B entering into such Transfer Swap Agreement (which MLCS agrees to pay pursuant to the Transaction Transfer Agreement), (iii) the absolute assignment by Party B to Party A of Party B's right to receive such Settlement Amount from Credit Support Provider, and (iv) the payment by MLCS to Party B of any net Unpaid Amounts owing to Party B (which MLCS agrees to pay pursuant to the Transaction Transfer Agreement) shall constitute full

satisfaction of any payment otherwise owing from Party B to Party A pursuant to Section 6(e) of this Agreement, and that Party B shall be fully discharged from any and all obligations under Section 6(e) of this Agreement. In accordance with clause (iii) of the preceding sentence, Party B hereby assigns to Party A, absolutely and not for purposes of security, all of Party B's right to receive any such Settlement Amount from MLCS pursuant to clause (ii) of the preceding sentence, and Party A agrees that only MLCS shall be obligated to pay such Settlement Amount to Party A, and that Party A shall have no recourse to Party B with respect thereto. In the event that any net Unpaid Amounts would be owing by Party B to Party A (such that clause (iv) of the first sentence of this Part 7(b) would not be applicable), Party A hereby assigns to MLCS, absolutely and not for purposes of security, all of Party A's right to receive any such net Unpaid Amounts from Party B, and Party A agrees that only MLCS shall be entitled to receive any such net Unpaid Amounts from Party B, and that Party A shall have no recourse to Party B with respect thereto.

(c) In the event that a Settlement Amount is to be determined, the parties agree that such Settlement Amount shall be determined by MLCS on behalf of, and for the benefit of, the Non-defaulting Party or the party which is not the Affected Party (as applicable), and that such Settlement Amount shall be conclusive. For purposes of determining such Settlement Amount, MLCS shall not be obligated to obtain quotations from more than one Reference Market-maker, which Reference Market-maker may be MLCS. Notwithstanding the foregoing, if an Event of Default or Termination Event shall have occurred with respect to which Party A is the Defaulting Party or an Affected Party, and such Event of Default or Termination Event (x) is triggered by the occurrence of an event which, by definition of such Event of Default or Termination Event, occurs with respect to MLCS or the Credit Support Document, and (y) arises solely by reason of an event or condition that is directly attributable to MLCS under this Agreement or the Transaction Transfer Agreement, then Party B, and not Credit Support Provider, shall determine such Settlement Amount.
