Chapter 9  
Case No. 13-53846  
Hon. Steven W. Rhodes

Order Overruling Objections to the City's Plan

Several parties have filed an objection to the Fourth Amended Plan of Adjustment. These objections were filed after the July 11, 2014 deadline set by the Court for individual retirees to file objections to the plan and the objecting parties have not established cause to file an untimely objection. Accordingly, the objections filed by the individuals listed below are overruled as untimely.
